Project Title: Tulare County Association of Governments 2022 Regional Transportation Plan/Sustainable Communities Strategy

Project Applicant: None

Project Location: Tulare County

Project Description: The Regional Transportation Plan guides the development of the Regional and Federal Transportation Improvement Programs (RTIP and FTIP) as well as other transportation programming documents and plans. Specifically, it outlines the Tulare County region's goals and policies for meeting current and future mobility needs and identifies programs, actions, and a plan of projects intended to address these needs consistent with adopted goals and policies. The Sustainable Communities Strategy is a part of the Regional Transportation Plan required by California Senate Bill (SB) 375 that demonstrates how regional greenhouse gas reduction targets will be met through integrated land use, housing, and transportation planning.

This is to advise that the Tulare County Association of Governments has approved the above described project on August 15, 2022 and has made the following determinations regarding the above described project.

1. The project will have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of approval of the project.
4. A mitigation monitoring and reporting program was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.
