Subject: Approval of Amendment No. 26 (Type 1 - Administrative Modification) to TCAG's 2023 Federal Transportation Improvement Program (FTIP)

Dear Peter,

The Tulare County Association of Government's (TCAG) Executive Director has completed the review of TCAG's Administrative Modification No. 26 to the 2023 Federal Transportation Improvement Program (FTIP). This administrative modification adds programming capacity that relies on the State's federal programming capacity. Our next formal amendment will update the financial information to reflect actual funding to support the added programming capacity.

TCAG's Executive Director has delegated authority to approve administrative modifications to the FSTIP and FTIP in accordance with the revised FSTIP/FTIP Amendments and Administrative Modification Procedures dated December 18, 2019. The approved changes will not impact TCAG's financial constraint or the region's air quality conformity.

The administrative modification is described in the attachments listed below. Under this delegated authority, an administrative modification does not require Caltrans, Federal Highway Administration, or Federal Transit Administration approval. This change is effective immediately upon TCAG's approval and is reflected as an administrative modification to California's 2023 FSTIP and TCAG's 2023 FTIP as of the date of this letter.

TCAG certifies that there are no projects in this Administrative Modification No. 26 included in any other amendments that are currently open for public review. Administrative Modification No. 26 to TCAG's 2023 FTIP is available online on TCAG's website at: <https://tularecog.org/tcag/programs-funding/federal-transportation-improvement-program-ftip/>.
