I. Introduction to the Request for Proposals (RFP)

The Tulare County Association of Governments (TCAG), as the Metropolitan Planning Organization and the Regional Transportation Planning Agency (RTPA) for Tulare County, is requesting proposals from qualified consultants to update to the [TCAG Regional Active Transportation Plan](#) (RATP). The plan was first adopted in 2016 laying the foundation for a regional network of multi-use trails, bike lanes, sidewalks, safe crossings and other treatments to help improve walking and biking accessibility. The objective of this RFP is to select a qualified consultant to enter into an agreement to perform the work described below. A joint venture of firms or a single firm for all or part of the tasks described is acceptable to accomplish the anticipated Scope of Services outlined in Attachment A.

By enabling people to make short trips on foot or by bike instead of by car, active transportation can help us address a number of mobility, health, livability, economic and environmental challenges. Communities can enable people to choose active transportation by providing a system of sidewalks, bike lanes, paths and trails, safe crossings, traffic-calmed streets and other pedestrian and bicycle, facilities that connect the places where people live, work, study, shop, play and visit. The RATP lays a regional framework for cities and unincorporated areas to more easily help achieve this vision.

The purpose of the project is to prepare a comprehensive update to the Regional Active Transportation Plan (RATP) by revisiting and strengthening the vision, goals and policies for the Tulare County Region. The RATP comprehensive update has two main purposes. The material produced will help shape the pedestrian and bicycle component for the region's 2026 Regional Transportation Plan (RTP)/Sustainable Communities Strategy (SCS). The second purpose is to help our member agencies position themselves to successfully compete for funding from federal, state, and regional sources.

Failure to comply with this requirement may cause your proposal to be denied without review.

TCAG Regional Active Transportation Plan Update Scope of Work

Introduction and Objectives

Located within the heart of the Central Valley, Tulare County is situated in a geographically diverse region with relatively flat topography making it a conducive location for livable streets and high-quality walking and biking infrastructure. The region also is consistently in the top three counties in the nation for agricultural production – an industry that heavily relies on transportation facilities to move goods to market. The county has a healthy tourism industry thanks to two National Parks (Sequoia National Park and Kings Canyon National Park), a National Monument (Sequoia National Monument), and other natural and recreational attractions.

The purpose of the project is to prepare an update to the [Regional Active Transportation Plan](#) (RATP) for the Tulare County Region, also known as Walk ‘n Bike Tulare County. We will require the consultant’s help to develop a robust vision that can help shape and influence how future roads, streets and highways in Tulare County could look like by incorporating safe systems approach eventually achieving zero traffic deaths and serious injuries.

The RATP has three main purposes. The plan was developed to:

1. Create a comprehensive regional vision for active transportation,
2. Support grant applications for new funding, and
3. Serve as critical building blocks to inform and shape the Action Element for the Regional Transportation Plan/Sustainable Communities Strategy (RTP/SCS).

This would be the first comprehensive update of the RATP, which was originally adopted in 2016. Since then, technical details to the project lists have been updated; however, it’s been eight years since a comprehensive regional vision for active transportation has been reviewed. Equity and safe systems will be major factors in the new update. Therefore, we are seeking consultants who have expertise in developing a multifaceted plan centered around disadvantaged communities (DACs) and directly speak to the short term and long-term needs of member agencies and their constituents.

Task 1 Kick-off meeting

TCAG staff will hold an online kick-off meeting between the consultants and staff. The purpose of the meeting is to:

1. discuss and confirm the project work, scope and budget;
2. discuss the roles and responsibilities of staff members and consultants involved in the project and establish lines of communication; and
3. discuss the available background data and materials needed to update the planning context, public health, and socioeconomic data sections of the RATP.

At this kick-off meeting, TCAG Staff and consultants will be assigned different roles and responsibilities to develop a comprehensive update to the RATP.

The consultants will focus on developing a comprehensive active transportation vision for the region, both verbally and visually (Tasks 3 and 4). They will also work on a layer analysis highlighting the intersection of disadvantaged communities (DACs), high collision areas and areas with high bike/foot activity (Task 5).

TCAG Staff will work on developing a list of active transportation projects by collecting project lists from each agency including past, present and future bicycle and pedestrian projects (Task 5). Staff will also be responsible for updating background sections of the RATP such as public health and socioeconomic data (Task 2).

See chart below for a clear delineation of tasks and responsibilities to be delivered by either TCAG Staff, Consultants and/or a combination of Staff and Consultant interaction.

Deliverables – To be performed by TCAG Staff - clear delegation of project tasks, assignments and responsibilities among TCAG Staff and Consultants

Estimated Budget: \$1K

Task 2 Background Sections Updates

The update of the background sections of the RATP refers specifically to the update of the following chapters and appendices:

- Chapter 1: Introduction
- Chapter 2: Benefits of Active Transportation
- Chapter 3: Planning Context
- Chapter 4: Public Health
- Chapter 5: Socioeconomics
- Appendix A: Public Health Data
- Appendix B: Socioeconomic Data
- Community Outreach Spotlights

This task will be performed by TCAG Staff in order to familiarize themselves with the project background, objectives, and data sources used in the production of the RATP. This will enable TCAG staff to determine the data needs and analysis required to update the background sections of the RATP.

Deliverables – To be performed by TCAG Staff - update the socioeconomic data in Chapters 1,2,3,4 and the appendices

Estimated Budget: \$0

Task 3 Goals, Objectives, Policy Actions and Performance Metrics

The 2016 RATP discussed the importance of active transportation in general, however it did not identify a list of goals, objectives and policy actions to help articulate a regional vision for Tulare County. Consultants will update the list of current policies, plans, guidelines and standards and provide other documentation on non-Tulare County (and city) standards that play a role in project selection and prioritization, such as the Caltrans's Highway Design Manual (HDM) and the American Association of State Highways and Transportation Officials (AASHTO) bicycle facilities guidebook. This would include adopting a vision zero mission statement and determining goals, objectives, policies and performance metrics to help develop a Regional wide vision zero action plan. Therefore, creating a comprehensive vision statement with goals, objectives and policy actions will be critical components to this plan and the Action Element RTP/SCS. We will require the consultants to help engage various stakeholders to establish a framework that can guide and help prioritize active transportation planning in the region. Consultant will be instrumental in developing an overall vision to include goals, objectives and policy actions for Tulare County.

Vision setting would include developing a leadership commitment from TCAG member agencies to work towards a goal of eventually having zero roadway fatalities and serious injuries.

Materials developed from Task 3 will be used to help update the Chapter 3 “Planning Context” and other relevant chapters.

Deliverables – To be performed by consultants – Vision Zero & performance metrics

Estimated Budget: \$30K

Task 4 Artistic Renderings

We will require the consultant’s help to create a visual rendering of what a future road may look like that encompasses a safe systems paradigm.

The topography and geography of Tulare County comes with many advantages that can be conducive to the creation of livable streets. Some of these advantages include flat terrain and wide roads within urban areas. This graphic will be essential in articulating the vision (Task 3) using graphics and illustrations that would be easy for a variety of stakeholders to understand. This graphic will also be used in the 2026 RTP/SCS Plan. These pictures would be able to provide high-level design guidance with a brief description explaining where proposed countermeasures might be the most appropriate.

Deliverables – To be performed by consultants –Visual graphics that can be used by TCAG for future policy documents

Estimated Budget: \$20K

Task 5 List of all bikes, pedestrian and active transportation projects (past and future)

TCAG Staff will work directly with member agencies to obtain a thorough list of all past and future projects. Many of the past projects have already been collected and geocoded to an ArcGIS online map <https://arcg.is/0ammmD>, however a current list of future projects has yet to be collected. Starting and ending coordinates of future projects will be collected in a format that is easy for the consultant to use in the tasks following. This is an essential component of the Regional Active Transportation Plan as we want this plan to represent the current projects, challenges and opportunities for each of the following member agencies:

City of Visalia	City of Tulare	City of Dinuba	City of Exeter
City of Porterville	City of Lindsay	City of Farmersville	City of Woodlake
County of Tulare	Tule River Indian Tribe		

Estimated Budget: \$0K

Task 6 Existing Conditions and Layer Analysis

TCAG Staff, in coordination with member agencies, will develop an updated list of priority projects for inclusion in the RATP that specifies the starting and ending locations of each project, proposed treatments and rough cost estimates that accurately represent current construction costs and values. TCAG Staff will be responsible for creating a list of all completed and proposed projects which would then be used by the consultants to help quantify rough cost estimates. The list would include starting and ending locations, treatments constructed, and current amount of funds spent.

We would like consultants to consolidate data which is currently mapped on two different online sites the TCAG website

<https://www.arcgis.com/home/webmap/viewer.html?webmap=584052080c214a7b83ab33557770f578&extent=-119.577,36.2311,-119.0699,36.4598> and on ArcGIS online <https://arcg.is/0ammmD>. The first map was originally produced in 2016 showing proposed and existing bike routes. The second map was created in 2022 showing a list of all the projects listed in the RATP. We would like the consultants to merge the two, help create clear symbology and then make it easy for the public to understand where current and future bicycle and pedestrian projects will be located.

A second map we would like is to see, depending on consultant experience and resources, is to take the updated list of projects (Task 5) and be overlay this data with a variety of layers including disadvantaged status, intercity transit routes and other locations that experience a high bike/foot activity such as schools, libraries, shopping centers and offices. For context, a TCAG regional map is attached below showing the area’s incorporated and unincorporated communities. We would then like consultants to perform a spatial analysis highlighting areas showing an intersection between disadvantaged status, transit centers and other most frequented destinations. The final result of this map will show the existing conditions of the area highlighting locations that are frequently accessed by residents, visitors and the general public.

Materials developed in Task 6 would be used to help update Chapter 6 “Needs Assessment” of the RATP.

Layers requested include equity analysis and areas with high pedestrian/bike activity using some of the following federal, state and local data sources:

Federal data sources:	State data sources:	Local data sources:
<ul style="list-style-type: none"> • Justice 40 • Equitable Transportation Community Explorer (ETC) • Climate and Economic Justice Screening Tool (CEJST) • Areas of Persistent Poverty • Environmental Justice (EJ) Screening tool • Places 	<ul style="list-style-type: none"> • Caltrans Equity Index (EQI) • Statewide Integrated Traffic Records System (SWITRS) • CalEnviroScreen • Healthy Places Index (HPI) • Household median income 	<ul style="list-style-type: none"> • Local road safety plans • Local active transportation plans • Police data from member agencies • Emergency room hospital data • Tulare County Public Health data • Local housing authority data • Local transit/bus data • Most frequented destinations • Streetlight subscription

Deliverables –To be performed by TCAG Staff and consultants - Preparing geo spatial databases of equity data, and locations of high pedestrian/bike activity to perform an intersection analysis potentially revealing patterns, hot spots and other relevant findings

Estimated Budget: \$10K

Task 7 Safety Analysis and High-Injury Network for Entire TCAG Region

Consultants will conduct a collision analysis from up to 5 years of fatality, injury, property damage and other metrics that can help establish baseline year and metrics to measure future success. The analysis would include locations where there are crashes and the severity of the crashes, as well as contributing factors and crash types by relevant road users (e.g., motorists, pedestrians, transit users). Analysis would include areas for the entire TCAG region that includes the cities of: Visalia, Tulare, Farmersville, Exeter, Lindsay, Porterville, Woodlake, Dinuba, all unincorporated communities in Tulare County and the Tule River Reservation.

We hope the intersection between collision data and bike/foot activity, for example, could potentially indicate areas in need of active transportation improvements. This in turn could be used to help validate and confirm each agency's bike and pedestrian priorities.

Analysis performed would be acceptable per the Safe Routes For All (SS4A) Action Plan Requirements and other grant opportunities requiring a systemic safety analysis.

Materials developed in Task 7 would be used to help update Chapter 7 "Priority Projects" of the RATP.

Layers requested include collision/and or crash data

**Deliverables –To be performed by consultants –a high-injury network and a color gradient map highlighting areas of high need based on Task 7's analysis of most frequented destinations
Estimated Budget: \$44K**

Task 8 Public Engagement and Needs Assessment

Upon collection of the data from Task 3, TCAG Staff and consultants will be ready to engage with the Active Transportation Planning Advisory (ATAC) committee by presenting their findings at one of the meetings. Public engagement will also be delivered allowing for robust discussions with the public, private sector and community groups. From these conversations, specific projects may arise which would help in developing a project list. Below is a visual graphic representing some of the safety issues faced by residents of an unincorporated community called Strathmore. Many of these complaints and sentiment are similar to what is experienced across other communities.

This task would involve the help of consultants to produce these maps that can be used during public engagement meetings to be led by TCAG Staff and close partnership from member agencies.

**Deliverables – To be performed by TCAG Staff and Consultants – preparation of print outs, community mapping activities and other material that can be easy for the public to understand and comment on
Estimated Budget: \$10K**

Task 9 NEW chapter 9 on maintenance challenges and solutions

On a high-level, this chapter would document the nuisances of maintaining new and old bicycle and pedestrian infrastructure. It would consider topics such as how long will the green paint last and where could we purchase a street sweeper that could fit in a bike lane. This chapter would involve conversations with our member agencies to understand, document and suggest some high-level solution that could help maintain high-quality, safe and accessible facilities.

Deliverables – To be performed by Consultants – interview with member agencies to understand maintenance challenges and suggest potential high-level solutions

Estimated Budget: \$10K

Task 10 Final Document Preparation

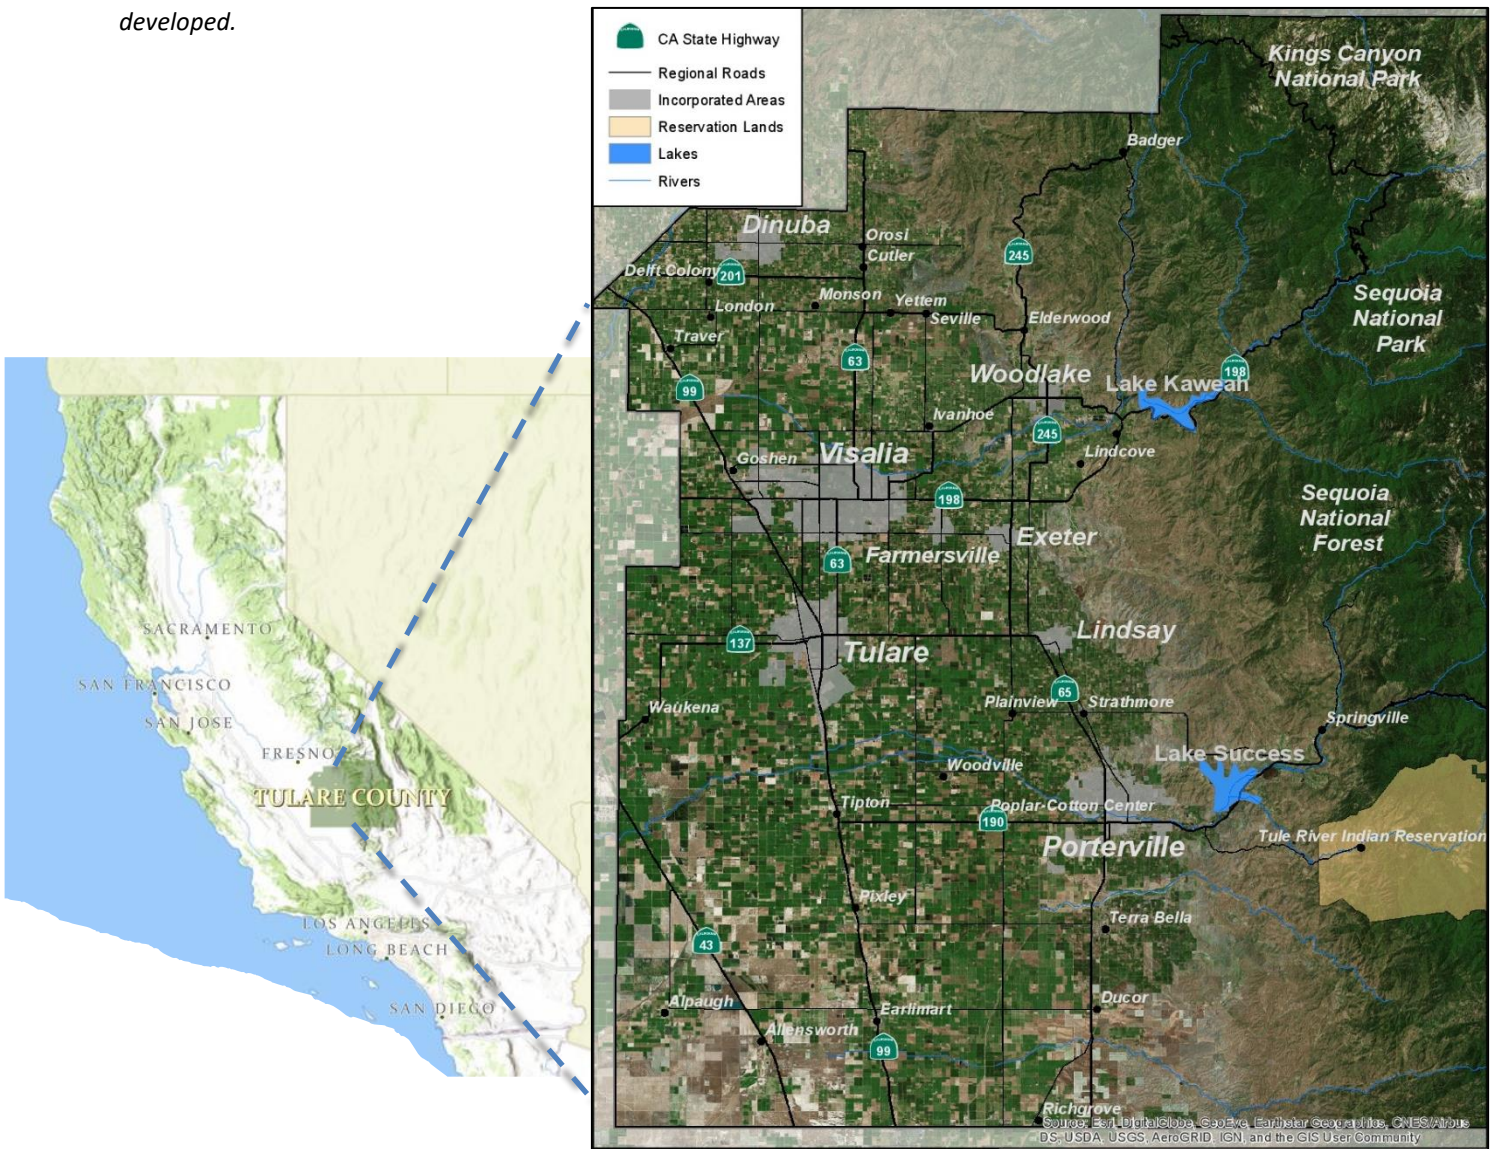

Task 10 entails bringing all the updated sections, network analysis and community feedback together into a comprehensive RATP document. Upon final review and approval by TCAG management, the document will be presented to the TCAG Board for final approval at a regularly scheduled TCAG Board meeting. We would like to be able to see both an online and printed copy of the final plan.

Deliverables – To be performed by Consultants – bring all the pieces together into one cohesive document

Estimated Budget: \$15K

Task #	Deliverable	Proposed Consultant Fees
1	Kick off Meeting – TCAG Staff	\$1K
2	Background Section Updates – TCAG Staff	\$0
3	Goals, objectives and policy actions – TCAG Staff & Consultants	\$30K
4	Artistic Renderings – Consultants	\$20K
5	List of all bike, pedestrian and active transportation related projects (past and future) – TCAG Staff	\$0K
6	Existing Conditions and Layer Analysis – TCAG Staff & Consultants	\$10K
7	Safety Analysis and High-Injury Network–TCAG Staff & Consultants	\$33K
8	Public Engagement and Needs Assessment-TCAG & Consultants	\$10K
9	NEW chapter 9 on maintenance challenges and solutions	\$10K
10	Final Document Preparation - Consultants	\$15K
Total Amount		\$130,000

While the overall budget will remain at \$130,000, consultants have leeway to bid on different rates for each of the individual tasks according to their capacity and availability. The number of deliverables can be adjusted to suit the consultant’s capacity and availability. For example, if the consultant needs more funds to deliver Task 9, Final Document Preparation, then funds from other Tasks could be reduced to ensure a quality product can be developed.

1. If the required insurance is written on a claims made form, the retroactive date must be before the date of the contract or the beginning of the contract work and must be maintained and evidence of insurance must be provided for at least three (3) years after completion of the contract work.
2. CONTRACTOR must submit endorsements to the General Liability reflecting the following provisions:
 - a. *TCAG and the COUNTY OF TULARE, their officers, agents, officials, employees and volunteers are to be covered as additional insureds as respects; liability arising out of work or operations performed by or on behalf of the CONTRACTOR including material, parts, or equipment furnished in connection with such work or operations.*
 - b. *For any claims related to this project, the CONTRACTOR's insurance coverage shall be primary insurance as respects TCAG and the COUNTY OF TULARE, their officers, agents, officials, employees and volunteers. Any insurance or self-insurance maintained by TCAG or THE COUNTY OF TULARE, their officers, agents, officials, employees or volunteers shall be excess of the CONTRACTOR's insurance and shall not contribute with it.*
 - c. *CONTRACTOR hereby grants to TCAG and the COUNTY a waiver of any right to subrogation which any insurer of CONTRACTOR may acquire against the county by virtue of the payment of any loss under such insurance. CONTRACTOR agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the TCAG or the COUNTY has received a waiver of subrogation endorsement from the insurer.*

d. Each insurance policy required by this agreement shall be endorsed to state that coverage shall not be canceled, except after written notice has been provided to TCAG.

3. The Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of TCAG and the COUNTY OF TULARE for all work performed by the CONTRACTOR, its employees, agents and subcontractors. CONTRACTOR waives all rights against TCAG and the COUNTY, their officers, agents, officials, employees and volunteers for recovery of damages to the extent these damages are covered by the workers compensation and employers liability.

C. Deductibles and Self-Insured Retentions

Deductibles and Self-insured retentions must be declared and any deductible or self-insured retention that exceeds \$100,000 will be reviewed by the TULARE COUNTY Risk Manager for approval.

D. Acceptability of Insurance

Insurance must be placed with insurers with a current rating given by A.M. Best and Company of no less than A-:VII and a Standard & Poor's Rating (if rated) of at least BBB and from a company approved by the Department of Insurance to conduct business in California. Any waiver of these standards is subject to approval by the County Risk Manager.

E. Verification of Coverage

Prior to approval of this Agreement by the TCAG, the CONTRACTOR shall file with the submitting department, certificates of insurance with original endorsements effecting coverage in a form acceptable to TULARE COUNTY. Endorsements must be signed by persons authorized to bind coverage on behalf of the insurer. TCAG and the COUNTY reserve the right to require certified copies of all required insurance policies at any time.

TULARE COUNTY ASSOCIATION OF GOVERNMENTS'
GENERAL AGREEMENT TERMS AND CONDITIONS
(Revised 05/10/2018)

- 1. COMPLIANCE WITH LAW:** CONTRACTOR must provide services in accordance with applicable Federal, State, and local laws, regulations and directives. With respect to CONTRACTOR'S employees, CONTRACTOR must comply with all laws and regulations pertaining to wages and hours, state and federal income tax, unemployment insurance, Social Security, disability insurance, workers' compensation insurance, and discrimination in employment.
- 2. PAYMENT DOES NOT IMPLY ACCEPTANCE OF WORK:** CONTRACTOR is not entitled to any payments under this Agreement until TCAG confirms that services provided, including any furnished deliverables, satisfy all of the requirements of this Agreement. Payments to CONTRACTOR by TCAG shall not excuse CONTRACTOR from its obligation to replace unsatisfactory deliverables, including equipment, components, materials, or services even if the unsatisfactory character of such deliverables, equipment, components, materials, or services may not have been apparent or detected at the time such payment was made. Deliverables, equipment, components, materials and services that do not conform to the requirements of this Agreement may be rejected by TCAG and in such case must be replaced by CONTRACTOR without delay and at no cost to the TCAG.
- 3. DISALLOWANCE:** If CONTRACTOR requests or receives payment from TCAG for services hereunder, reimbursement for which is later disallowed by the State of California or United States Government, CONTRACTOR shall promptly refund the disallowed amount to TCAG upon TCAG'S request. At its option, TCAG may offset the amount disallowed from any payment due or to become due to CONTRACTOR under this Agreement or any other Agreement between CONTRACTOR and TCAG. CONTRACTOR'S obligations under this section 2 will survive the expiration or termination of this Agreement.
- 4. LIABILITY OF TCAG:** TCAG'S payment obligations under this Agreement shall be limited to the payment of the compensation provided for in section 3, "PAYMENT FOR SERVICES," of this Agreement. Notwithstanding any other provision of this Agreement, in no event shall TCAG be liable, regardless of whether any claim is based on contract or tort, for any special, consequential, indirect, or incidental damages, including, but not limited to, lost profits, arising out of or in connection with this Agreement or the services performed in connection with this Agreement.
- 5. QUALIFIED PERSONNEL:** CONTRACTOR shall utilize only competent personnel under the supervision of, and in the employment of, CONTRACTOR (or CONTRACTOR'S authorized subcontractors) to perform the services. CONTRACTOR will comply with TCAG'S reasonable requests regarding assignment and/or removal of personnel, but all personnel, including those assigned at TCAG'S request, must be supervised by CONTRACTOR. CONTRACTOR shall commit adequate resources to allow timely completion within the project schedule specified in this Agreement.
- 6. INDEPENDENT CONTRACTOR STATUS:** The Parties enter into this Agreement with the express understanding that CONTRACTOR will perform all services required under this Agreement as an independent contractor. The Parties agree that CONTRACTOR and any of its agents, employees, or officers cannot be considered agents, employees, or officers of TCAG.

CONTRACTOR agrees to advise everyone it assigns or hires to perform any duty under this Agreement that they are not employees of TCAG. Subject to any performance criteria contained in this Agreement, CONTRACTOR will be solely responsible for determining the means and methods of performing the specified services and TCAG will have no right to control or exercise any supervision over CONTRACTOR as to how CONTRACTOR will perform the services. As CONTRACTOR is not TCAG'S employee, CONTRACTOR is responsible for paying all required state and federal taxes. In particular, TCAG will not:

**TULARE COUNTY ASSOCIATION OF GOVERNMENTS'
GENERAL AGREEMENT TERMS AND CONDITIONS
(Revised 05/10/2018)**

- (1) Withhold FICA (Social Security) from CONTRACTOR'S payments.
- (2) Make state or federal unemployment insurance contributions on CONTRACTOR'S behalf.
- (3) Withhold state or federal income tax from payments to CONTRACTOR.
- (4) Make disability insurance contributions on behalf of CONTRACTOR.
- (5) Obtain unemployment compensation insurance on behalf of CONTRACTOR.

Notwithstanding this independent contractor relationship, TCAG will have the right to monitor and evaluate the performance of CONTRACTOR to assure compliance with this Agreement.

7. LICENSES AND PERMITS: CONTRACTOR represents and warrants that it possesses and will maintain during the term of this Agreement all licenses and permits required for its performance of the services required under this Agreement.

8. GOVERNING LAW: The laws of the State of California, without reference to California conflict of laws principles, govern this Agreement and its interpretation. The Parties agree that this Agreement is made in and will be performed in Tulare County, California.

9. RECORDS AND AUDIT: CONTRACTOR must maintain complete and accurate records with respect to the services rendered and the costs incurred under this Agreement. In addition, CONTRACTOR must maintain complete and accurate records with respect to any payments to employees or subcontractors. All of the records must be prepared in accordance with generally accepted accounting procedures, must be clearly identified, and must be kept readily accessible. Upon request, CONTRACTOR must make the records available within Tulare County to the Auditor of Tulare County and to his or her agents and representatives, for the purpose of auditing and/or copying the records for a period of five (5) years from the date of final payment under this Agreement. Additional record-keeping requirements may be located in Exhibit F or G (related to federally-funded contracts generally, or FTA-funded contracts specifically).

10. CONFLICT OF INTEREST:

(a) At all times during the performance of this Agreement, CONTRACTOR must comply with the law of the State of California regarding conflicts of interests and appearance of conflicts of interests, including, but not limited to, Government Code Section 1090 *et seq.*, and the Political Reform Act, Government Code Section 81000 *et seq.*, and regulations promulgated by the California Fair Political Practices Commission. The statutes, regulations, and laws previously referenced include, but are not limited to, prohibitions against any public officer or employee, including CONTRACTOR for this purpose, from making any decision on behalf of TCAG in which the officer, employee, or consultant/contractor has a direct or indirect financial interest. A violation can occur if the public officer, employee, or consultant/contractor participates in or influences any TCAG decision that has the potential to confer any pecuniary benefit on CONTRACTOR or any business firm in which CONTRACTOR has an interest, with certain narrow exceptions.

(b) CONTRACTOR agrees that if any facts come to its attention that raise any questions as to the applicability of conflicts of interests laws, then it will immediately inform TCAG and provide all information needed for resolution of this question.

11. INSURANCE: The attached **Exhibit C** outlines the minimum scope, specifications, and limits of insurance required under this Agreement. Additional insured endorsements required as outlined in **Exhibit C** cannot be used to reduce limits available to TCAG as an additional insured from CONTRACTOR'S full policy limits. Insurance policies

**TULARE COUNTY ASSOCIATION OF GOVERNMENTS'
GENERAL AGREEMENT TERMS AND CONDITIONS
(Revised 05/10/2018)**

cannot be used to limit liability or to limit the indemnification provisions and requirements of this Agreement or act in any way to reduce the policy coverage and limits available from the insurer(s). If CONTRACTOR fails to maintain or renew coverage, or to provide evidence of renewal, then TCAG may consider that failure a material breach of this Agreement. TCAG may also withhold any payment otherwise due to CONTRACTOR for failure to provide evidence of renewal until CONTRACTOR provides such evidence.

12. INDEMNIFICATION AND DEFENSE:

(a) To the fullest extent permitted by law, CONTRACTOR must indemnify, defend (at CONTRACTOR'S sole cost and expense and with legal counsel approved by TCAG, which approval may not be unreasonably withheld), protect and hold harmless TCAG, all subsidiaries, divisions, committee, and affiliated agencies of TCAG, and all of their representatives, partners, designees, officers, directors, employees, consultants, agents, successors, and assigns, (each, an "Indemnified Party" and collectively, the "Indemnified Parties"), from and against all claims (including, without limitation, claims for bodily injury, death or damage to property), demands, obligations, damages, actions, causes of action, suits, losses, judgments, fines, penalties, liabilities, costs, and expenses (including, without limitation, attorneys' fees, disbursements, and court costs, and all other professional expert or consultants' fees and costs and TCAG general and administrative expenses) of every kind and nature whatsoever (individually, a "Claim"; collectively, "Claims") which may arise out of, pertain to, or relate (directly or indirectly) to the negligence, recklessness, or misconduct of CONTRACTOR with respect to any work performed or services provided under this Agreement (including, without limitation, the acts, errors, and/or omissions of CONTRACTOR, its principals, officers, agents, employees, vendors, suppliers, consultants, sub-consultants, contractors, and anyone employed directly or indirectly by any of them, or for whose acts they may be liable, or any or all of them). CONTRACTOR'S obligation to indemnify applies unless it is finally adjudicated that the liability was caused by the sole active negligence or sole willful misconduct of an Indemnified Party. If it is finally adjudicated that liability is caused by the comparative active negligence or willful misconduct of an Indemnified Party, then CONTRACTOR'S indemnification obligation shall be reduced in proportion to the established comparative liability.

(b) The duty to defend is a separate and distinct obligation from CONTRACTOR'S duty to indemnify. CONTRACTOR shall be obligated to defend, in all legal, equitable, administrative, or special proceedings, the Indemnified Parties immediately upon tender to CONTRACTOR of the Claim in any form or at any stage of an action or proceeding, whether or not liability is established. Payment to CONTRACTOR by any Indemnified Party or the payment or advance of defense costs by any Indemnified Party cannot be a condition precedent to enforcing the Indemnified Party's rights to indemnification under this Agreement. An allegation or determination that persons other than CONTRACTOR are responsible for the Claim does not relieve CONTRACTOR from its separate and distinct obligation to defend under this section. The obligation to defend extends through final judgment, including exhaustion of any appeals. The defense obligation includes an obligation to provide independent defense counsel if CONTRACTOR asserts that liability is caused in whole or in part by the negligence or willful misconduct of an Indemnified Party. If it is finally adjudicated that liability was caused by the comparative active negligence or willful misconduct of an Indemnified Party, then CONTRACTOR may submit a claim to the TCAG for reimbursement of reasonable attorneys' fees and defense costs in proportion to the established comparative liability of the Indemnified Party. CONTRACTOR'S indemnification obligations under this Agreement will survive the expiration or earlier termination of this Agreement until action against the Indemnified Parties for the matter indemnified is fully and finally barred by the applicable statute of limitations or statute of repose. CONTRACTOR'S liability for indemnification under this Agreement is in addition to any liability CONTRACTOR may have to TCAG for a breach by CONTRACTOR of any of the provisions of this Agreement. Under no circumstances may the insurance requirements and limits set forth in this Agreement be construed to limit CONTRACTOR'S indemnification obligation or other liability under this Agreement. The terms of this Agreement are contractual and the result of negotiation between the Parties.

**TULARE COUNTY ASSOCIATION OF GOVERNMENTS'
GENERAL AGREEMENT TERMS AND CONDITIONS
(Revised 05/10/2018)**

(c) CONTRACTOR must indemnify and hold TCAG harmless from all loss and liability, including attorneys' fees, court costs and all other litigation expenses, for any infringement of the patent rights, copyright, trade secret or any other proprietary right or trademark, and all other intellectual property claims of any person or persons in consequence of the use by TCAG, or any of its officers or agents, of articles or services to be supplied in the performance of this Agreement.

13. TERMINATION:

(a) **Without Cause:** TCAG may terminate this Agreement without cause by giving thirty (30) days' prior written notice to CONTRACTOR of its intention to terminate under this provision, specifying the date of termination. TCAG will pay to CONTRACTOR the compensation earned for work satisfactorily performed and not previously paid for to the date of termination. TCAG will not pay lost anticipated profits or other economic loss. The payment of any compensation is subject to the restrictions on payment of compensation otherwise provided in this Agreement, and is conditioned upon receipt from CONTRACTOR of all plans, specifications and estimates, and other documents prepared by CONTRACTOR in accordance with this Agreement. TCAG will not impose sanctions on CONTRACTOR under these circumstances.

(b) **With Cause:** Either Party may terminate this Agreement immediately, by written notice to the other Party, should the other Party:

- (1) Be adjudged a bankrupt, or
- (2) Become insolvent or have a receiver appointed, or
- (3) Make a general assignment for the benefit of creditors, or
- (4) Suffer any judgment that remains unsatisfied for 30 days, and that would substantively impair the ability of the judgment debtor to perform under this Agreement, or
- (5) Materially breach this Agreement.

In addition, TCAG may terminate this Agreement based on:

- (6) Material misrepresentation, either by CONTRACTOR or anyone acting on CONTRACTOR'S behalf, as to any matter related in any way to TCAG'S retention of CONTRACTOR, or
- (7) Other misconduct or circumstances that, in the sole discretion of TCAG, either impairs the ability of CONTRACTOR to competently provide the services under this Agreement, or exposes TCAG to an unreasonable risk of liability.

For any of the occurrences except item (5) above, termination may be effected upon written notice by the terminating Party specifying the date of the termination. If CONTRACTOR fails to perform according to the terms and conditions of this Agreement, then TCAG may, in addition to any other remedy it may have, issue a declaration of default after 10 days' written notice to CONTRACTOR.

Upon a material breach, the Agreement may be terminated after the failure of the defaulting Party to remedy the breach to the satisfaction of the non-defaulting Party within 5 days of written notice specifying the breach. If the breach is not remedied within that 5-day period, then the non-defaulting Party may terminate this Agreement on further written notice specifying the date of termination. If the nature of the breach is such that it cannot be cured within a 5-day period, then the defaulting Party may submit a written proposal within that period which sets forth

**TULARE COUNTY ASSOCIATION OF GOVERNMENTS'
GENERAL AGREEMENT TERMS AND CONDITIONS
(Revised 05/10/2018)**

a specific means to resolve the default. If the non-defaulting Party consents to that proposal in writing, which consent may not be unreasonably withheld, then the defaulting Party must immediately embark on its plan to cure the default or breach. If the default or breach is not cured within the time agreed, then the non-defaulting Party may terminate this Agreement upon written notice specifying the date of termination.

TCAG will pay to CONTRACTOR the compensation earned for work satisfactorily performed and not previously paid for to the date of termination. The payment of such compensation is subject to the restrictions on payment of compensation otherwise provided in this Agreement, and is conditioned upon receipt from CONTRACTOR of all plans, specifications and estimates, and other documents prepared by CONTRACTOR by the date of termination in accordance with this Agreement. TCAG will not pay lost anticipated profits or other economic loss, nor will TCAG pay compensation or make reimbursement to cure a breach arising out of or resulting from such termination. If TCAG terminates this Agreement for cause and the expense of finishing CONTRACTOR'S scope of work exceeds the unpaid balance of the Agreement, then CONTRACTOR must pay the difference to TCAG. TCAG may impose sanctions under these circumstances, which may include possible rejection of future proposals based on specific causes of CONTRACTOR'S non-performance.

(c) **Effects of Expiration or Termination:** Expiration or termination of this Agreement will not terminate any obligations to indemnify, to maintain and make available any records pertaining to the Agreement, to cooperate with any audit, to be subject to offset, or to make any reports of pre-termination contract activities. Where TCAG terminates CONTRACTOR'S services, that termination will not affect any rights of TCAG to recover damages against CONTRACTOR.

(d) **Suspension of Performance:** Independent of any right to terminate this Agreement, the Executive Director of TCAG may immediately suspend performance by CONTRACTOR, in whole or in part, in response to health, safety or financial emergency, or a failure or refusal by CONTRACTOR to comply with the provisions of this Agreement, until such time as the cause for suspension is resolved, or a notice of termination becomes effective.

14. LOSS OF FUNDING: It is understood and agreed that if TCAG'S funding is either discontinued or reduced for the services to be provided hereunder, then TCAG will have the right to terminate this Agreement under section 13 (a) ("Termination Without Cause") as of the end of the term for which funds are appropriated. Such termination shall be without penalty, liability, or expense to TCAG of any kind, provided that TCAG shall pay CONTRACTOR in accordance with section 13 (a) for services satisfactorily performed prior to the date of such termination and to the extent funds have been appropriated for such payment.

15. SUBMITTING FALSE CLAIMS; MONETARY PENALTIES: Under applicable federal and state law, if CONTRACTOR submits a false claim to TCAG under this Agreement, then CONTRACTOR will be liable to TCAG for the statutory penalties set forth in those statutes, including but not limited to statutory fines, treble damages, costs, and attorneys' fees. CONTRACTOR will be deemed to have submitted a false claim to TCAG if CONTRACTOR:

- (a) Knowingly presents or causes to be presented to TCAG a false claim or request for payment or approval;
- (b) Knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by TCAG;
- (c) Conspires to defraud TCAG by getting a false claim allowed or paid by TCAG;

**TULARE COUNTY ASSOCIATION OF GOVERNMENTS'
GENERAL AGREEMENT TERMS AND CONDITIONS
(Revised 05/10/2018)**

(d) Knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to TCAG; or

(e) Is a beneficiary of an inadvertent submission of a false claim to TCAG, later discovers the falsity of the claim, and fails to disclose the false claim to TCAG within a reasonable time after discovery of the false claim.

16. FORM DE-542: If CONTRACTOR is an individual, CONTRACTOR acknowledges that this Agreement is subject to filing obligations under Unemployment Insurance Code Section 1088.8. Accordingly, TCAG has an obligation to file a report with the Employment Development Department, which report will include CONTRACTOR'S full name, social security number, address, the date this Agreement was executed, the total amount of the Agreement, its expiration date or whether it is ongoing. CONTRACTOR agrees to cooperate with TCAG to make that information available and to complete Form DE- 542. Failure to provide the required information may, at TCAG'S option, prevent approval of this Agreement, or be grounds for termination by TCAG.

17. WORKS FOR HIRE: CONTRACTOR acknowledges that all work(s) under this Agreement are "work(s) for hire" within the meaning of the United States Copyright Act (Title 17 United States Code) and hereby assigns to TCAG all rights and interests CONTRACTOR may have in the work(s) it prepares under this Agreement, including any right to derivative use of the work(s). All software and related materials developed by CONTRACTOR in performance of this Agreement for TCAG will be the sole property of TCAG, and CONTRACTOR hereby assigns and transfers all its right, title, and interest therein to TCAG. CONTRACTOR will execute all necessary documents to enable TCAG to protect TCAG'S intellectual property rights under this section.

18. WORK PRODUCT: All work product, equipment, or materials created for TCAG or purchased by TCAG under this Agreement belong to TCAG and CONTRACTOR must immediately deliver them to TCAG at TCAG'S request upon termination or completion of this Agreement.

19. TIME OF ESSENCE: The Parties agree that time is of the essence under this Agreement, unless they agree otherwise in writing.

20. CONFIDENTIALITY: CONTRACTOR may not use or disclose any information it receives from TCAG under this Agreement that TCAG has previously identified as confidential or exempt from mandatory public disclosure except as necessary to carry out the purposes of this Agreement or as authorized in advance by TCAG. Unless required to do so by law, including, but not limited to, the Ralph M. Brown Act or the California Public Records Act, TCAG may not disclose to third parties any information it receives from CONTRACTOR that CONTRACTOR has previously identified as confidential. If TCAG determines that it must disclose any information that CONTRACTOR previously identified as confidential, then it shall promptly give CONTRACTOR written notice of its intention to disclose such information and the authority for such disclosure. CONTRACTOR shall have period of five (5) calendar days thereafter within which to seek a protective court order to prevent such disclosure or to notify TCAG that it will not seek such an order. TCAG shall cooperate with CONTRACTOR in any efforts to seek such a court order. TCAG shall not disclose the information until the five (5) day period has expired without a response from CONTRACTOR, or CONTRACTOR has notified TCAG that it will not seek such an order, or CONTRACTOR has sought and a court has declined to issue a protective order for such information. If CONTRACTOR seeks a protective order for such information, CONTRACTOR shall defend and indemnify TCAG from any and all loss, injury, or claim arising from TCAG'S withholding of the information from the requestor. This includes any attorney's fees awarded to the requestor. The duty of TCAG and CONTRACTOR to maintain confidentiality of information under this section continues beyond the term of this Agreement.

TULARE COUNTY ASSOCIATION OF GOVERNMENTS'
GENERAL AGREEMENT TERMS AND CONDITIONS
(Revised 05/10/2018)

21. ASSIGNMENT/SUBCONTRACTING: Unless otherwise provided in this Agreement, TCAG is relying on the personal skill, expertise, training and experience of CONTRACTOR and CONTRACTOR'S employees and no part of this Agreement may be assigned or subcontracted by CONTRACTOR without the prior written consent of TCAG, which consent TCAG may grant, delay, deny, or condition in its absolute discretion.

22. DISPUTES AND DISPUTE RESOLUTION: CONTRACTOR shall continue with its responsibilities under this Agreement during any dispute. If a dispute arises out of or relating to this Agreement, or the breach of the Agreement, and if the dispute cannot be settled through negotiation, then the Parties agree first to try in good faith to settle the dispute by non-binding mediation, to be held in Tulare County, California, before resorting to litigation or some other dispute resolution procedure, unless the Parties mutually agree otherwise. The Parties must mutually select the mediator, but in case of disagreement, then the Parties will select the mediator by lot from among two nominations provided by each Party. The Parties will split equally all costs and fees required by the mediator; otherwise each Party will bear its own costs of mediation. If mediation fails to resolve the dispute within 30 days, then either Party may pursue litigation to resolve the dispute.

23. PROPERTY TAXES: Under the terms of California Revenue and Taxation Code section 107.6 (possessory interest tax), CONTRACTOR'S possession or use of any TCAG-owned real property under this Agreement may create a "possessory interest" in the real property. If a possessory interest is created, then it may be subject to property taxation and CONTRACTOR may be subject to the payment of property taxes on that possessory interest.

24. FURTHER ASSURANCES: Each Party will execute any additional documents and perform any further acts that may be reasonably required to effect the purposes of this Agreement.

25. CONSTRUCTION: This Agreement reflects the contributions of all Parties and so the provisions of Civil Code section 1654 will not apply to address and interpret any alleged uncertainty or ambiguity.

26. HEADINGS: Section headings are provided for organizational purposes only and do not in any manner affect the scope, meaning, or intent of the provisions under the headings.

27. NO THIRD-PARTY BENEFICIARIES INTENDED: Unless specifically set forth, the Parties to this Agreement do not intend to provide any other party with any benefit or enforceable legal or equitable right or remedy.

28. WAIVERS: The failure of either Party to insist on strict compliance with any provision of this Agreement will not be considered a waiver of any right to do so, whether for that breach or any later breach. The acceptance by either Party of either performance or payment will not be considered a waiver of any preceding breach of the Agreement by the other Party.

29. ORDER OF PRECEDENCE: In the event of any conflict or inconsistency between or among the body of the Agreement (which includes these "General Agreement Terms and Conditions") and any Exhibit, Schedule, or Attachment, then the terms and conditions of the body of the Agreement shall prevail.

31. ENTIRE AGREEMENT: This Agreement represents the entire agreement between CONTRACTOR and TCAG as to its subject matter and no prior oral or written understanding will be of any force or effect. No part of this Agreement may be modified without the written consent of both Parties.

32. ASSURANCES OF NON-DISCRIMINATION: CONTRACTOR must not discriminate in employment or in the provision of services based any characteristic or condition upon which discrimination is prohibited by state or federal law or regulation. The Parties recognize that both CONTRACTOR and TCAG have the responsibility to protect TCAG employees and clients from unlawful activities, including discrimination and sexual harassment in the workplace. Accordingly, CONTRACTOR agrees to provide appropriate training to its employees regarding discrimination and sexual harassment issues, and to promptly and appropriately investigate any allegations that any of its employees may have engaged in improper discrimination or harassment activities. TCAG, in its sole discretion, has the right to require CONTRACTOR to replace any employee who provides services of any kind to TCAG under this Agreement with other employees where TCAG is concerned that its employees or clients may have been or may be the subjects of discrimination or harassment by such employees. TCAG'S right to require replacement of employees under this section does not preclude TCAG from terminating this Agreement with or without cause as provided for under this Agreement. Additional nondiscrimination requirements may be located in Exhibit F or G (related to federally-funded contracts generally, or FTA-funded contracts specifically).

33. DRUG-FREE WORKPLACE POLICY: CONTRACTOR acknowledges that under the Federal Drug-Free Workplace Act of 1989 and the California Drug-Free Workplace Act of 1990, the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited on TCAG premises. CONTRACTOR agrees that any violation of this prohibition by CONTRACTOR, its employees, agents, or assigns will be deemed a material breach of this Agreement.

34. RECYCLED PAPER CONTENT: To the extent CONTRACTOR'S services under this Agreement include printing services, pursuant to Public Contract Code section 22153, CONTRACTOR shall use paper that meets the recycled content requirements of Public Contract Code section 12209.
