SUMMARY MEETING MINUTES

1. Welcome & Introductions

Meeting opened by Chair Ted Macaulay.

Persons in attendance introduced themselves.

2. Public Comments

This portion of the meeting is reserved for persons wishing to address the TCAG Active Transportation Advisory Committee on items within its purview but not on this agenda. Unscheduled comments are limited to 3 minutes. Note: Prior to the action by the Committee on any item on this agenda, the public may comment on that item.

No public comments were heard.

3. Action: Approval of Meeting Minutes for November 14, 2019

Member Mello moved to approve the minutes, and was seconded by Member Ramirez. Minutes were unanimously approved.

4. Information: Regional Active Transportation Plan Update

Mr. Brady reported that the Regional Active Transportation Plan (RATP) was undergoing a comprehensive update. Demographic and health statistical info will be updated with current information. Agencies are being asked to submit new projects and inform staff of projects that have already been completed or are no longer being pursued. Completion of the plan is anticipated in summer or early fall of 2020.

5. Information: Amendment to Regional Active Transportation Plan Projects Update

Discussed in combination with item 7 below.

6. Information: Tulare County Public Health Bicycle and Pedestrian Fatality Update

Ms. Minnick distributed a preliminary summary. Pedestrian fatalities have decreased a little. There were a few younger people than the last year. Compared to all the previous years, four of them were women which was unusual. Four fatal accidents in December, two pedestrians and two bicyclists. Mostly during hours of darkness.

7. Information: Active Transportation Program Update

Mr. Brady reported that the comprehensive update to the Regional Active Transportation Plan (RATP) would be completed in time for the Regional Transportation Plan/Sustainable Communities Strategies (RTP/SCS) development cycle, but not in time for Active Transportation Plan (ATP) grant cycle scheduled to begin in late March 2020. Before evaluation for funding consideration under the ATP program, project applications will be screened for consistency with the adopted Regional Transportation Plan (RTP). As the ATP is incorporated by reference in the RTP, any project that is in the ATP is considered consistent with the RTP.

Inclusion of the new projects and modified projects in the ATP via the specific amendment would enable those projects to pass the initial screening criteria and allow agencies to apply for ATP funding for their respective projects. The amendment went to the TCAG Board and was approved January 27, 2020. Mr. Brady distributed the agenda item and reviewed the list of projects. Guidelines discussions for the 20/21 ATP are ongoing.

Mr. Brady shared that a Guidelines Workshop was scheduled for March 3rd. The guidelines are scheduled to be approved at the March 25-26th California Transportation Commission (CTC) meeting. The call for projects is scheduled to open March 26th with applications due by June 15, 2020.

Mr. Brady shared that the June 2020/2021 fund estimate would be released the week following the ATAC meeting at the CTC meeting in Sacramento.

8. Information: Caltrans District 6 Update

Mr. Ramirez distributed hard copies of the bike plan and stated that he was updating the bicycle guide and described features such as the average daily traffic and other minor updates. Mr. Ramirez stated that as much information as possible was added to appeal to different types of riders.

Mr. Ramirez shared that California Active Transportation Plans (CAT Plans) were being completed and discussed District 6 plans to work with a consultant and GIS information. He highlighted that the Plan would have shoulder and ATP information from the cities, counties and regions.

9. Information: Active Transportation Outreach Update

Item will be covered during the February ATAC meeting.

10. Information: 2020 Local Motion Awards Summary

Item will be covered during the February ATAC meeting.

11. Other Business

Member Wallis-Dutra reported that two studies were going on in Visalia and comments were being collected. The first study involved one way street conversions for Center and Main streets. The other project was for area wide downtown safety project.

Member Macaulay mentioned Visalia Senior Games cycling event on March 29, 2020. It will be open to the public.

12. Meeting Adjourned.

The next meeting is scheduled for February 27, 2020 at the TCAG's office.
