

Measure R Citizens' Oversight Committee
Tulare County Transportation Authority
Monday, May 11, 2020
12:00 p.m. - 1:00 p.m.
Tulare County Association of Governments
210 N. Church Street, Suite B; Visalia, CA 93291
Contact: Leslie Davis, TCAG Staff
LDavis@tularecog.org (559) 623-0450

Conference Call-In Information:

Phone Number: **877-858-5743**

Passcode: **609873**

Agenda

In compliance with the Americans with Disabilities Act and the California Ralph M. Brown Act, if you need special assistance to participate in this meeting, including auxiliary aids, translation requests, or other accommodations, or to be able to access this agenda and documents in the agenda packet, please contact the TCAG office at 559-623-0450 at least 3 days prior to the meeting.

Any staff reports and supporting materials provided to the board after the distribution of the agenda packet are available for public inspection at the TCAG office.

- I. Welcome and Introductions
- II. Public Comments
This portion of the meeting is reserved for persons wishing to address the Committee on items within its jurisdiction but not on the agenda. Note: Prior to action by the Committee on any item on this agenda, the public may comment on that item.
- III. Action: Election of Chair and Vice Chair
- IV. Action: Approval of Minutes for May 13, 2019, August 12, 2019, (Pages 01-04)
November 4, 2019, and February 10, 2020
- V. Information: Upcoming Appointment Terms, Vacancies and Form 700
- VI. Information: Distribution of Measure R Fiscal Year 19/20 3rd Qtr
Reports and discussion of FY 19/20 2nd quarter reports.
- VII. Information: Review of Measure R Revenues and Expenses and (Pages 05-06)
Bond Update
- VIII. Information: Project Updates
- IX. Information: Legislative Update
- X. Information: MR Expenditure Plan Amendment update
- XI. Discussion: Effects of COVID-19 on Measure R
- XII. Adjourn
The next scheduled Citizens' Oversight Committee meeting will be held on Monday, May 11, 2020 at 12:00 p.m. at the Tulare County Association of Governments, 210 N. Church Street, Suite B, Visalia, CA 93291.

CITIZENS' OVERSIGHT COMMITTEE MEMBERS
for
TULARE COUNTY TRANSPORTATION AUTHORITY
MEASURE R

MEMBER	REPRESENTING
*Maria McElroy	City of Dinuba
Robyn Stearns	City of Exeter
Vacant	City of Farmersville
Gary Meling	City of Lindsay
Cathy Capone	City of Porterville
* Vacant	City of Tulare
* Tom Weise, Chair	City of Visalia
*Michael Navarro	City of Woodlake
* Chris Unti	County of Tulare
Harroll Wiley	Tulare County Economic Development Corp.
Joe Russell	Tulare County Farm Bureau
*Lisa Wallis-Dutra	Tulare County Home Builders Association
Vacant	Tulare Kings Hispanic Chamber of Commerce
Vacant	Audit/Finance/Budgeting
Russ Dahler	Bicycle/Pedestrian/Transit
Vacant	Environment

* indicates term that starts July 1 of even-numbered years

Guests: Richard Bennett

TCAG Staff: Ted Smalley, Leslie Davis and Michele Boling.

Summary Meeting Minutes

- I. **Welcome and Introductions**
The Citizen's Oversight Committee regular meeting was called to order by Tom Weise at 12:00 p.m. on February 10, 2020. Quorum was not present.
- II. **Public Comments**
Chair opened the Public Comments session at 12:03 p.m.
- III. **Action: Election of Chair and Vice Chair**
Unable to hold election due to lack of quorum.
- IV. **Approval of Minutes for May 13, 2019, August 12, 2019 and November 4, 2019**
Minutes were not approved due to lack of quorum.
- V. **Information: Upcoming Appointment Terms, Vacancies**
The committee lacked a quorum and is unable to elect another Chair or Vice Chair. Joe Russell offered to be the chair. Leslie Davis has not received confirmation from the various agencies but will proceed to reappoint Robyn Stearns as the City of Exeter representative and Joe Russell for the TC Farm Bureau. The positions that still remain open are the City of Tulare, and the Tulare/Kings Hispanic Chamber of Commerce. The Audit/Finance/Budgeting and the Environment position have both been advertised on the TCAG website but no applications have been received. The filing date has been extended and will be extended once more. City of Farmersville has appointed Yohanes Makmur, but he has moved to another firm so the city will have to reappoint, June 30, 2020, Tom Weise will be termed out. Russ Dahler has served six years so at the end of his term, he will term out. Maria Mc Elroy asked if a person can serve the whole two years or just finish out the remaining time left since being appointed. It is determined on the years of capacity served. Leslie Davis stated that it is only for the remaining time available based upon years and not by month. A person would have to be reappointed if they would like to serve once the term time has ran ended

Leslie Davis reminded everyone that the Form 700 is due April 1, 2020. If a person does not have a copy, the form can be emailed to them. Ted Smalley explained that TCAG staff are unable to assist the COC Board on filling out the Form 700s.

VI. Information: Distribution of Measure R Fiscal Year 19-20, 2nd Quarter Reports

Leslie Davis stated that all the cities turned in the 2nd quarter reports. All the reports have been emailed to them but if someone needs a hard copy, it can be provided to them. Leslie Davis stated that any questions regarding the project reports can be addressed at the next meeting. In addition, three cities did not provide reports the last quarter, but they have now, and the reports were emailed out. Leslie Davis asked if there were any questions about the last quarter reports. There were no questions or comments.

VII. Information: Review of Measure R Revenues and Expense

Leslie Davis reviewed revenue and expense numbers for the 2nd quarter of fiscal year 19-20 and the accumulation of the year-to-date revenues. The expenses are additionally broken-out by the cities and counties and by the type. Leslie Davis asked if there were any questions or the need for additional information or clarification.

VIII. Information: Bond and Project Updates

Ted Smalley stated the interest rates of bonds are low and the bond rating of TCAG is very high. Leslie Davis said the rating is a double A rating. Ted stated the audits are not completed but there are no findings and it is a very clean audit. This results in a high bond rating. The interest rates for bonds are very low. The cost of inflation is around 3-5%. By bonding and advancing the Caldwell project, Santa Fe to Lovers Lane, Lovers Lane to Farmersville, Farmersville to Exeter this will be a savings of a million dollars. Bonding has to be a significant cost benefit to justify moving the projects up. This saves a significant amount of money advancing the projects. The risk of becoming default on the bond is very low. The borrowing is against the revenues coming in. The revenues coming in would have to reduce to half the amount that has been coming in during the history of the measure for the bond to be at risk of becoming default. The bond will allow advancing projects, but the amount borrowed is very low. There are two big interchanges coming up: the Commercial interchange and the Caldwell interchange. Santa Fe to Lovers Lane, Lovers Lane to Farmersville, and Farmersville to Exeter. Caldwell from Exeter to 99 project has been in the works since 2000 and will be coming to a close with this bond that hasn't been able to be completed. Dinuba will benefit by 1.8 million dollars by the Dinuba high school. A round-a-bout will be completed for safety of the students. Visalia will receive Santa Fe Caldwell widening and Riggins project for \$7 million dollars. Woodlake will receive a round-a-bout by the elementary school. Exeter will possibly have a Rocky Hill improvement from 65 to Spruce. And, improvements with Firebaugh. The county and city of Exeter are working together, 10 million worth of improvements. Repaving of roads, sidewalks, bike lanes. Sidewalks will be determined on the urban development boundaries. Firebaugh is not built to standards so implementing city standards will increase the usage of it and reduce the usage of Rocky Hill. The City of Exeter and the County are partnering together for the project to be completed. Farmersville 1.5 million partnership with Self Help Industries for a new grant for new transit center by the church. Tulare will be getting the Commercial interchange. Lindsay will receive a round-a-bout on Tulare Ave to get onto Hwy 65. Accumulation of bike projects Newcomb area commercial development and improvements on North of 190 to Tule River in Porterville will receive improvements. 10 million will be advance to the County for projects. The bond and leveraging helps with the success of transportation projects. Copies of the general layout of the Commercial interchange is available. Closing traffic in Tulare while the Commercial project is occurring is impossible. There were plans made to prevent the closing of roads during the project. Round-a-bouts are great options for safety, but it is not a possibility for the Commercial project. T-bones are not known on round-a-bouts, so they make the roads much safer. Ted also stated a 3% interest rate on the bond will help tremendously. Leslie Davis stated March 17 & 18th Ted and her will be going to San Francisco to get the bond ratings. Closing of the bond will be in mid-April and the

funds will be available. Ted asked if people want more information or to be involved in the ethic training for the bond to let him know and they are more than welcome to participate in them. Maria from Dinuba asked how the bonds works. Ted Smalley stated the bonds are tax free as long as the funds are spent in three years. All the big investors have to be made aware of the details of the funds. The bond is accepted towards the last minute of the availability of the bond. TCAG's rating is a premium so it makes it very desirable for the investors. Leslie Davis stated the projects are listed so the investors know what projects will be funded with the bond. Ted stated the bonds are not available to private citizens. The bond is fiscally sound for TCAG.

Project Updates

Environmental documents for the Commercial interchange has been approved Federally and by the State. The documents involved are CEQA and NEPA. The project is in design, but the right-of-way mapping is now complete. The hardest task involved with the project was with the utilities. There are numerous utilities involved with the project. Underground fiber-optics involved in Goshen would cost 5-6 million to move. The project will be able to go out to bid in 2022. Half of the Environmental costs were paid by the Tulare County Ag Show and the other half was paid by Measure R. The design was paid by the state. The right of way land is dedicated to the project by the landowners. The utility relocation is paid by the state. Construction will be paid by the state funds. Measure R will be used for leveraging State funds. State funds are a promise from the state. Measure R funds are in the bank, so they are available now. TCAG works to use state funds first because the funds are interest free. Projects are always being requested in hopes of being advanced. 25 million is being requested from the state for the Commercial project. 20 million probably will be reimbursed. Federally 12-18 million is being requested. Measure R will pay a portion of the costs. Grant money will probably be paid towards this but approximately 45 million will probably be paid on the project. On Betty Drive there were improvements made and not just the interchange. Ted Smalley said the information on the project will be made available to whomever would like to be provided a copy of it. Of the projects that Measure R will cover, the Commercial project will have to be completed. There are over 42 projects in partnership with the state. Widening of Hwy 99 beginning at South of Cartmill and continues to Prosperity Ave and the ramp changes at Tagus Ranch will the 80 million projects. This project is also being completed because of leveraging with Measure R. At the county line in Delano to 13.5 miles north. A 15 million partnership with Caltrans will begin. There will be temporary lanes being created but the project will allow permanent lanes. After having these improvements, it will help to obtain assistance from Caltrans for the remaining widening needed to the Grapevine. There is not enough money needed for the widening in Tulare County so leveraging money when available, it helps to complete projects. Tom Weise asked about the Lovers Lane and 198 project. Ted stated it will go into construction in 2 years. No operational improvements are allowed with SB1 so this makes projects a little more difficult. Lovers Lane design and the Commercial Interchange will be mailed out to all committee members.

Discussion ensued around bike paths and safety and the potential to set aside maintenance and/or policing funds from MR bike funds to help address these issues. Additional discussions and approval will take place in the future.

- IX. Information: Legislative Update:** Going back to DC to get Federal grants. There is not expected to be a lot of assistance at this time but TCAG is working on getting Federal grants at this time. Air quality standards are very difficult to obtain that will be continued to be worked through the next two years. Measure R Expenditure plan was written out in the beginning and the goal is to bring those projects into existence. Amendments are required if projects are changed from the original plan. Changed from doing the K Road project frees up money to do the Rocky Hill project. There is work that has to be done to bring forth the needed changes on Rocky Hill. In Dinuba Ave 415 and Road 80 to 88 requires taking out over 30 houses which is not a win-win situation. So Dinuba has to consider what the best project is, but this doesn't appear to be one of the projects that is possible at this time. Many bike paths will be constructed but must be maintained as the years continue.

X. Information: Potential MR Expenditure Plan Amendment: Mitigation banking was included in the original plan of Measure R. It needs to be considered to apply these funds to corridor projects because the projects are being built too quickly so the mitigation banking does not appear to be working the way it had be planned. In May this discussion will be made, and the committee will have the opportunity to review the facts and vote on their perspective. The amendments that are being requested will be listed on the May agenda. Policing and security being covered are also being considered with the Rocky Hill project. Easements, sidewalks, pedestrian paths, amateur bike riders, etc. are being worked together to determine a design for the schools towards Spruce. The Rocky Hill map and feasibility study will be mailed out to the committee for their information. Once the City of Exeter has a design, it will be mailed out to the committee. State ATP monies are being pursued from the state to assist with the Lindsay High School project. Measure R may be the match for the project. With socio-economic issues in Lindsay, this helps to get some additional funding from the state.

XI. Information: Meeting Schedule for FY 2020/2021: Leslie Davis said the 20-21 FY schedule of meetings is included in the packet received.

XII. Adjourn

Tom Weise adjourned the meeting at 1:05 p.m. Next meeting is Monday, May 11, 2020.

FY 19/20
Project Update
(January 1, 2020 – March 30 2020)

Regional Projects

1. Ave 416/El Monte Way From Road 56 to Road 80/Alta Avenue, Project No. SLPPFL-5143(024)

- Contractor: Papich Construction, Inc.(PCI)
- Papich Const. was given Notice to Proceed effective March 10, 2014
- SGI Construction Management (CM) Company is providing CM, Inspection, SWPPP QSP and Materials Testing services; SGI was awarded CM contract on December 10, 2013
- Construction completion scheduled for October 2016
- Design, Rights-of-Way and Construction cost \$35,000,000, including Construction Phase cost of \$22.730M consisting of \$7.551M SLPP, \$14.599 Measure R and \$0.580M Local monies
- Traver Canal Relocation completed June, 2014; associated Alta Irrigation District (AID) work ongoing.
- Delayed (October, 2013 original completion commitment) by AT&T Relocation work completed June 2014 (related PG&E, SCG and Comcast was completed in late 2013); AT&T delay caused Contractor to alter work plan to focus on Rd 72 to Alta/Rd 80 segment.
- Active bird nests are no longer an issue and trees with inactive nests in them have been removed.
- Substantial work between Rd 72 and Rd 80 was completed May 2015. Final lift of paving expected to be complete May, 2016.
- Sound wall at Family Tree Farms was completed in June, 2015.
- Storm drains construction between SJVR and Rd 80 completed September 2015.
- Sewer line between SJVR and Rd 80 was found to be too shallow to allow for roadway earthwork activities and had to be replaced; Replacement completed in September 2015.
- Stage 2 of the Traver Canal Box Culvert was completed in December 2015.
- Underground utility work and first 2 paving lifts West of Road 72 completed in August 2016.
- Signalization poles west of Road 72 and basin pump stations are under construction.
- The last City approved PCI Construction Schedule update was July, 2014 and does not account for private utilities delays and an updated completion date.
- Approved weather days and utility delays extend Contract Completion date to June 27, 2016.
- SGI and City Staff are working on punch list items
- SGI has requested back up documentation for T & M Change Order
- SGIs independent update of the PCI Construction Schedule projects completion by March 2017.

City of Dinuba
FY 19/20
Project Update
(January 1, 2020 – March 30 2020)

- PCI completed repair of the 48" AID pipe on Rd. 72 north of EMW. Landscape and irrigation at Ridge Creek Golf Course frontage is the last contract item that needs completion and should be completed the week of 4/24/2017.
- PDPCM completed Proposed Final Estimate and sent to contractor on July 3, 2017.
- Contractor has 30 days to respond.
- Notice of Completion to Council on July 25, 2017 and filed with the County on July 27th
- Papich Construction Inc., responded to PFE and after review City and CM determined that there was insufficient documentation and back up data.
- On September 28, 2017 PDPCM submitted a Semifinal Pay Estimate to Papich Construction with documented back up of Contract items and CCO items approval. Waiting for their response.
- PDP is preparing the Final Pay Estimate to Papich Construction with documented back up of all Contract items and CCO items approved.
- Alta Irrigation District advised the City that a cut-off wall was not installed at the Traver Canal. Contractor will be returning to complete the work once the nesting birds have moved on.
- RFP for construction of the cut off wall will go out in February 2019.
- Awarded Construction on 2/26/2019 of the Traver Canal at the West El Monte Way for the Widening Project that was not completed by Papich Construction.
- Issued a Notice of Contract Suspension on 3/26/2019 for the Traver Canal Project as AID has released water into the Traver Canal. Construction to start Once the Canal becomes dry.
- Cut off Wall continues to be on hold until the canal dries up.
- Completed Cut Off Wall AID Traver Canal
- Final Reimbursement will be mailed to TCAG by May 31, 2020

5. Cut Off Wall (Dawson-Mauldin)
 - a. \$87,433.33

**City of Dinuba
FY 19/20
Project Update
(January 1, 2020 – March 30 2020)**

2. Alta Avenue/Nebraska Avenue Roundabout Project

- Yamabe & Horn Engineering is currently working on the design and environmental phase of the project.
- Yamabe and Horn Engineering has subcontracted the Right of Way appraisal and acquisition. The appraiser has made contact with several of the parcel owners to negotiate the acquisition.
- Negotiations have begun pending acceptance of offers from the Residents.
- Plans are 90% complete with the proposed ROW acquisition, pending negotiations.
- Negotiating with the final Residents for the ROW Acquisition. One Resident we will have to eminent domain as there are issues with the title
- Work with PG&E regarding pole relocation and approval of plans

Total						\$ 465,794.99

City of Exeter
2019/20 – Quarter 3
Measure R Regional Update

Visalia Rd. Improvements: The Council consented to segmenting the project into 2 phases: 1) the west end, including improvements at Belmont Road, and 2) Belmont Road to Orange Avenue. The project is funded with \$6 million Measure R Regional (which will include some City cost sharing on a lift station alignment).

This project is in final stages of review and preparing to go out to bid in summer 2020. Estimates prepared by the design consultant suggest the cost for Phase 1, including 15% for Construction Management, design and Right of Way Acquisition, is approximately \$6 million. The City and consultant City Engineer QK is working with GHD to deliver this project and including alternate bid options so this project can be cut if needed to fit within budget.

The costs for Phase 2, including 15% for Construction Management, the storm drain relocation, and water line relocation, is approximately \$2.5M. This phase will be completed in the future as funding may become available.

GHD, Inc. is currently completing final design and certification of Right of Way and Environmental clearance in order to proceed with construction bid. Primary focus is to deliver Visalia Road from Orange Avenue to west of Belmont Road to approximately Jacobs Place. This project is 100% Measure R Regional funded.

Awarded Contractor – award summer 2020
Construction Management – award summer 2020
Anticipated Completion – 2021/22

City of Tulare Regional Projects Update – 3rd Quarter 2019/20

- 1. AgriCenter / Hwy 99 Interchange – Caltrans completed the PA&ED phase of the “South Tulare Interchange Study”, in which the AgriCenter/Hwy 99 interchange was identified as a project alternative, either at the Commercial Avenue or Industrial Avenue alignment. The preferred project alternative selected to move forward to design and ROW acquisition was identified as the Commercial Avenue. Design is currently underway with ROW acquisition activities expected to begin towards the end of the 3rd quarter of 2019/20.**
- 2. Paige Avenue / Hwy 99 Interchange – Project is identified as a future project to be undertaken at such time as funding is available.**

CITY OF VISALIA

2019/20 Measure R – 3rd Quarter Summary (as of 3/31/2020)

MEASURE R REGIONAL PROJECTS

1. Caldwell Avenue from Akers to Shady
 - a. Completion – estimated in 2021
 - b. Preliminary Estimated Costs –\$11.9 million (Akers to Shady), MR Regional and Local Development Impact Fees
 - c. Scope of Work –four travel lanes with medians and sidewalk from Akers to Shady
 - d. Contractor – to be determined, in design (Omni-Means)
2. Caldwell Avenue from Santa Fe to Lovers Lane
 - a. Completion – estimated in 2021/2022 depending on funding and right-of-way acquisition.
 - b. Preliminary Estimated Costs – \$15 million (SF to LL), MR Regional and Local Development Impact Fees
 - c. Scope of Work – widen Caldwell Avenue to four travel lanes from Santa Fe Street to Lovers Lane
 - d. Contractor – to be determined, in design (4 Creeks)
3. Traffic Management Center – equipment and software
 - a. Completion – estimated in 2020, Construction in progress
 - b. Preliminary Estimated Costs – \$1,785,000 (CMAQ - \$1,120,000 and Measure R Regional \$665,000)
 - c. Scope of Work – Install, configure, and integrate the Traffic Management Center with network system equipment and traffic management software for the implementation of traffic management.
 - d. Contractor – Johnson Controls Inc. and Kimley-Horn and Associates Inc.
4. Akers/SR 198 – Akers widening
 - a. Completion – estimated by 2020, design complete, construction contract awarded
 - b. Estimated Costs – \$8.3 million
 - c. Scope of Work – Interchange improvements and widening of Akers Street to include dual lefts
 - d. Contractor - Yarbs Grading and Paving, Inc.
5. Lovers Lane/SR 198 Interchange Operational Improvements
 - a. Completion – estimated by 2027
 - b. Estimated Costs – \$30 million +
 - c. Scope of Work – Near term Interchange operational improvements, were amended to 2018 SHOPP list with R&R project, for PA&ED Phase.

- d. PA&ED (Engineering and Environment Studies) Phase to be complete by June 2021: Initial survey work and biological data collection is on-going.
 - e. Contractor - to be determined
- 6. Downtown Interconnect Project
 - a. Completion – 2019/20, construction completed
 - b. Estimated Costs – \$880,000
 - c. Scope of Work – Replace the existing cooper wire with fiber optic cabling within the downtown area to provide for a more robust signal interconnectivity connecting twelve existing traffic signals into to Traffic Management Center.
 - d. Contractor – A-C Electric Company, Inc.
