RTP/SCS Minutes

A. Call to Order and Welcome

Meeting was called to order by Chair Livingston at 10:03 a.m. on March 25, 2021.

B. Public Comments

Public comments opened/closed at 10:06 a.m. No public comments were noted.

C. Action: Minutes of the February 25, 2021 Meeting

Upon motion by Member Allen and second by Member Mascia, the minutes were unanimously approved.

D. SCS/Demographic Forecast Update – Roberto Brady

Mr. Brady introduced the forecast and Mr. Winning and he reviewed the Demographic forecast highlighting the Blueprint scenario and discussing projection details, California trends, Tulare County Trends and methodology of the DOF. Discussion ensued regarding general plan development patterns and the RTP.

E. Update the 2018 Policy Element – Ben Kimball

Mr. Kimball discussed system goals and changing the order of the Goals such as establishing the EJ goal as number two and Rail as number three. He also discussed making them more understandable to a wider audience.

Julie page A-5 service level Policies 1. Service level C & D clarification. Derek and Roberto discussed and provided clarification of service level performance efficiency and how it works. Ben discussed recent legislation that has us look at VMT instead of LOS according to SB743.

Discussion ensued regarding land use planning, new development, parking requirements in urban areas and associated issues.

Mr. Livingston discussed groundwater recharge systems and projects- Ben stated that he would look into it and follow up in this regard.

Mr. Wall discussed barrier studies and Mr. Kimball provided examples of such in communities such as Goshen. What barriers exist physically that makes it difficult for people to get around. These often are in the form of complete streets studies. Mr. wall recommend rewording of this item for clarification.

Ms. Allen asked how Cap and trade might figure into all of this. Mr. Kimball mention AHSC grants and projects. These pay for related transportation around that housing such as pedestrian pathways and other related improvements.

Ms. Allen discussed the Zero emission corridor idea and the feasibility of it. Mr. Kimball further discussed the I5, electric highway and a dedicated electric lane.

Ms. Escobedo mentioned site EV infrastructure in EJ communities similar to Fresno Counties. Bike sharing or community solar projects, or transition from propane to electrification. Ms. Escobedo provided Fresno county as an example of Cantua Creek and said she would provide more information on that.

Mr. Kimball discussed EV car sharing in Tulare County and difficulties with funding. Ms. McGovern-Garcia further discussed Miocar charging infrastructure in communities and providing a renewable energy source for disadvantaged communities. Mr. Kimball talked about the effort to have a policy that clarifies that.

Discussion ensued regarding autonomous vehicles and if it was included in the policy element. Mr. Kimball replied that this would have a region-specific application, but it hadn't yet connected to local transportation issues. Additionally, he shared that parking, and other items may need context and Mr. Winning shared regarding the section about technology.

Adjourn as the RTP/SCS Roundtable Committee and convene as the Rural Communities Committee.

Member Allen made a motion to adjourn the RTP/SCS meeting and seconded by Member Unknown at 11:11 a.m. and convened as the Rural Communities Committee.

C. Action: Approval of the February 25, 2021 Meeting Minutes

After review and upon motion by Member Livingston and second by Member Camarena, the minutes were unanimously approved.

D. Update of the 2018 RTP Policy Element - Ben Kimball

Mr. Kimball discussed the desire to have cities at the table to look through the policy element and bring issues to the table and take the time to proactively think about it and how the RTP was being set up. He stated that he wanted to have these ideas put forward in the beginning of the process. Ben discussed getting funding for projects vs. funding for plans and how Tulare County small communities fare against more urban areas.

Mr. Winning discussed policies and reprioritization as well as emulating the states position on their grant programs.

Discussion ensued regarding rural community needs such as a demand response network, first and last mile trips and having ride sharing and ride sourcing programs.

Mr. Wall discussed GTFS flex data on a project that he was working on. He stated his project was looking for stakeholders, such as people with disabilities from rural areas and would welcome referrals from the group.

Adjourn as the RTP/SCS Rural Communities Committee

Upon motion by Member Wall and second by Member McGovern-Garcia, the Committee adjourned as the RTP/SCS RC Committee at 11:31am and convened as the Regional Housing Needs Advisory Committee.
