AGENDA ITEM III-A

August 15, 2022

Prepared by Jeff Kuhn, Chief Deputy County Counsel

SUBJECT:

Action: Reaffirm Conditions of State Assembly Bill 361 to Continue Remote Attendance at Public Meetings

BACKGROUND:

In response to the COVID-19 pandemic, the Governor suspended part of the Brown Act concerning the requirements for allowing Governing Board members to remotely participate in Board meetings. The suspended provisions require that (1) Governing Board meeting agendas allowing remote Board Member participation list each of the specific locations from which Board members will be remotely participating, (2) such agendas be posted at each such location, and (3) members of the general public must be allowed to remotely participate in the meeting from each of the listed locations. The suspension was done to promote social distancing and so to help limit the spread of COVID-19.

DISCUSSION:

The Governor's suspension of these Brown Act provisions expired as of September 30 and was replaced by new AB 361, an urgency statute that became effective as of September 30. Under AB 361, Governing Boards can continue to allow remote Board members participation in Brown Act public meetings if several conditions are met:

1. The meeting is held during a declared State of Emergency (Like the Governor's COVID-19 pandemic State of Emergency that's still in effect in California);
2. The Governing Board adopts findings to the effect that allowing remote meeting participation by Governing Board members promotes social distancing, which in turn helps prevent the spread of COVID-19;
3. The Governing Board confirms these conditions continue to be met every 30 days.

The Tulare County Association of Governments Board of Governors passed a resolution adopting a policy of remote attendance pursuant to AB 361 on October 18, 2021.

RECOMMENDATION:

Reaffirm the decision to continue allowing the option to participate in its governing board meetings remotely through the use of the teleconferencing provisions of AB 361.

Prepared by Leslie Davis, TCAG Staff

SUBJECT:

Information: Measure R Revenues for June and July 2022

BACKGROUND:

On November 7, 2006, the voters of Tulare County approved Measure R, imposing a ½-cent sales tax for transportation within the incorporated and unincorporated area of Tulare County through 2037. The transportation sales tax funds are spent in accordance with the Expenditure Plan that resulted from a joint effort among all the cities and the County of Tulare. The Expenditure Plan reflects the transportation needs of the residents of Tulare County. The plan includes funding for Regional Projects, Local Programs, Transit/Bike/Environmental Programs and Administration. The funds are distributed as follows:

1. Regional Projects (50%)
2. Local Programs (35%)
3. Transit/Bike/Environmental (14%)
4. Administration and Planning Program (1%)

Measure R revenue collection began on April 1, 2007. Monthly Measure R advancements are received by TCAG from the State Board of Equalization followed by quarterly clean-up disbursements. In total, TCAG receives eight advancements and four clean-up disbursements throughout a fiscal year.

The Measure R 2020 Strategic Work Plan was approved by the Authority on October 19, 2020 with Resolution No. 2020-119, amended on December 14, 2020 with Resolution No. 2020-120, amended on April 19, 2021 with Resolution No. 2021-100, amended August 26, 2021 with Resolution No. 2021-106. September 20, 2021 with Resolution No. 2021-107, October 18, 2021 with Resolution No. 2021-112 and February 28, 2022 with Resolution No. 2022-103.

DISCUSSION

AGENDA ITEM IV-B

August 15, 2022

Prepared by Leslie Davis, TCAG Staff

SUBJECT:

Action: Adoption of Resolution: FY 2022/2023 Measure R Local Allocation Advance to Eligible Member Agencies

BACKGROUND:

On November 7, 2006, the citizens of Tulare County approved Measure R and the Measure R Expenditure Plan. The Policies and Procedures were approved on April 16, 2007. The above-mentioned documents created the guidelines for the funding of Measure R Regional, Local, and Transit/Bike/Environmental Projects.

DISCUSSION:

Member agencies are developing capital improvement schedules for 2022/2023. In order to effectively plan for 2022 and 2023 summer construction, member agencies have asked for early consideration of a local funding advance for the FY 2022/2023. The ability to advance local funds to member agencies during their construction season allows for the efficient delivery of local projects. Agencies are advanced up to 12 months of local program funds on July 1, 2022, (or later) and will repay the funds during the upcoming 2022/23 fiscal year with Measure R revenues. Any over/under payments from the prior fiscal year will be included. The member agency must have submitted the prior year audit in order to be considered for an advance.

The advancement of Local Program Funds will not have an affect on any other Measure R projects. The advance is covered by Transit/Bike/Environmental funds that are un-used. Attached is an estimate of the funds that will be advanced for FY 2022/2023.

As with all Local Program distributions, whether advanced or paid monthly during the fiscal year, the City/County is required to submit a plan document outlining the use of the funds no later than July 1st of each fiscal year before the local funds can be disbursed to the agency.

RECOMMENDATIONS:

Allow for the advancement of FY 2022/2023 Measure R Local Program Funds for one fiscal year on July 1, 2022 or later. The advance will not affect other Measure R projects.

FISCAL IMPACT:

No fiscal impact to the life of Measure R. Current cash flow allows for the advancement. Local Program Funds will be advanced in July and repaid throughout the 2022/23 fiscal year. The bond issuance for the Regional Program was accomplished to fund major expenditures thus the advance will not delay other projects.

AGENDA ITEM IV-C

August 15, 2022

Prepared by Leslie Davis, TCAG Staff

SUBJECT:

Action: Adoption of Resolution: Fiscal Year 2022/2023 Measure R Transit Allocation Advance to Tulare County Regional Transit Agency (TCRTA)

BACKGROUND:

On November 7, 2006, the citizens of Tulare County approved Measure R and the Measure R Expenditure Plan. The Policies and Procedures were approved on April 16, 2007. The above-mentioned documents created the guidelines for the funding of Measure R Regional, Local, and Transit/Bike/Environmental Projects.

DISCUSSION:

TCRTA is developing operational budget for 2022/2023 in order to effectively plan for 2022/2023 cash flow needs, TCRTA has asked for early consideration of a transit funding advance for the FY 2022/2023. The ability to advance transit funds to TCRTA during this crucial time allows for the efficient use of Federal and State funds as well as grant funding received by the agency. TCRTA is requesting a 12 month advance of transit program funds effective July 1, 2022 and will repay the funds during the upcoming 2022/23 fiscal year with Measure R revenues. Any over/under payments from the prior fiscal year will be included.

At the June 22, 2022, TCRTA Board of Directors meeting, the Board approved the 2022/2023 Operating Budget and Capital Improvement Program. The 2022-2023 Budget includes \$18.7 million in operating expenses and \$13.4 million in capital projects.

On July 7, 2022, the California State Transportation Agency (CalSTA) awarded TCRTA \$33.7 million for the Cross-Valley Corridor Zero-Emission Bus Project. Then on July 28, 2022, FTA Section 5339A awarded TCRTA \$1,912,500 million for the State Discretionary Bus Replacement Program, increasing the Capital Improvement Program to more than \$49 million

To maintain TCRTA's sound financial position and to minimize financial risk, staff recognizes the need for an advance of the MR Transit funding to address operating cash flow issues in situations where there is an assurance that state or federal grants will be available for repayment during the same fiscal period. Staff is also working with TCRTA to advance the receipt of state funds.

The ability of TCRTA to accept transit funding advances help towards the financial stability of TCRTA and reduces the need for short term loans for operations.

As with all Transit Program distributions, whether advanced or paid monthly during the fiscal year, the TCRTA is required to submit a plan document outlining the use of the funds and upon approval of the advance the transit funds can be disbursed to the TCRTA.

RECOMMENDATIONS:

Allow for the advancement of FY 2022/2023 Measure R Transit Program Funds for one fiscal year on July 1, 2022. The advance will not affect other Measure R projects.

FISCAL IMPACT:

No fiscal impact to the life of Measure R. Current cash flow allows for the advancement. Transit Program Funds will be advanced in July and repaid throughout the 2022/23 fiscal year. The bond issuance for the Regional Program was accomplished to fund major expenditures thus the advance will not delay other projects.
