New Learnings	Tule River Bike Rodeo- Its better to have tangible prizes for outreach at Tule River. There was not a lot of response to the raffle after the event. More time is needed for preparation of outreach events- at least 30 days of possible to gather supplies, staffing and optimal planning.	N/A	All Public Board Meetings- More solicitation for public input is needed for public meetings to increase list of contacts.	N/A		
Goals for Future Outreach/ Meetings/ Hearings/ Updates	Tule River Bike Rodeo- Expand the course to include a larger area for kids to practice. Advertise raffle prizes in advance and online for the event.	All Future Events- Use public input to complete surveys, live meetings, mapping and tools where appropriate during outreach events in the future.	All Public Board Meetings- Increase list of contacts and interested persons for TCAG public meetings through public input by either streaming, text blasts, social media posts, or live meeting translation for users via subtitles or any combination of these	All Public Hearings- Make further use of public input for public hearings to increase list of contacts and possibly improve participation.		
Method of Access or Public Engagement Provided	Tule River Bike Rodeo- At the Tule River bike Rodeo on 4/24/21, 87 you and 32 adults were present for our first in-person event since Covid 19 restrictions in March of 2020. This event was the first time we used Public input to use for kids to demonstrate their learning and enter to win LED bike lights in a raffle. We used printed flyers, A QR code, Language translation was available upon request, Hands on learning activities and verbal instruction was provided.	N/A	All Public Meetings- Email blast to members and interested parties, advertising on TCAG social media pages, language translation upon request, Access to meeting materials on line and in person at the meeting or by request at the TCAG office. Phone access, video conferencing capabilities, and in person attendance since June 2021,	FTIP Hearings- Newspaper posting, public hearing and collection of comments via email, in person and my mail. Unmet Needs 1. Designed and distributed posters with comment cards and QR codes to access the online survey, and on-board bus advertisements in English and Spanish countywide. Information was also included in Tagalog. 2. Direct mailings to an extensive list of agencies, including social service agencies, the Tule River Tribe, civic organizations, community centers, clinics, libraries, and local supermarkets to provide comment cards that residents can easily fill out and send to TCAG postage-free. 3. Worked with Tulare County Public Health to post information on digital displays in high traffic public buildings, and to increase awareness at local social service offices. 4. Posted official notices in local newspapers, in English and Spanish and holding two public hearings when only one was required- both in person and virtually with translation. 5. Advertising campaign on Facebook and Instagram. 6. Created and advertised an online survey (https://www.surveymonkey.com/r/RXQ5THS). 7. Accepted comments via a dedicated email address: TCAGinfo@tularecag.ca.gov TCAG has the capability to translate over 240 languages through Language Line Solutions as well.
