Subject: Approval of Amendment No. 3 (Type 1 - Administrative Modification) to TCAG's 2019 Federal Transportation Improvement Program (FTIP)

Dear Lima,

The Tulare County Association of Government's (TCAG) Executive Director has completed the review of TCAG's Administrative Modification #3 to the 2019 Federal Transportation Improvement Program (FTIP). This administrative modification adds programming capacity that relies on the State's federal programming capacity. Our next formal amendment will update the financial information to reflect actual funding to support the added programming capacity.

TCAG's Executive Director is delegated the authority to approve administrative modifications to the FSTIP and FTIP in accordance with the revised FSTIP/FTIP Amendments and Administrative Modification Procedures dated June 3, 2011. The approved changes will not impact TCAG's financial constraint or the region's air quality conformity.

The administrative modification is described in the attachments listed below. Under this delegated authority, an administrative modification does not require Federal Highway Administration, Federal Transit Administration or Caltrans approval. This change is effective immediately, upon TCAG's approval and is reflected as an administrative modification to California's 2019 FSTIP and TCAG's 2019 FTIP as of the date of this letter.

TCAG certifies that there are no projects in this Administrative Modification No. 3 included in any other amendments that are currently open for public review. Administrative Modification No. 3 to the TCAG's 2019 FTIP is available online on TCAG's website at: <http://www.tularecog.org/federaltip/>

Grouped Project Listings

2016/17-2021/22 Highway Bridge Program

See the appropriate FTIP/FSTIP for current funding commitments. This listing provides the backup project information to support the lump sum amounts programmed in the FTIP.

3/22/2019, 8:54 AM

- Notes:
- 1) This is the FTIP lump sum “backup” list for HBP funded projects. Please see the Local Assistance web site for the most current listings:

http://www.dot.ca.gov/hq/LocalPrograms/hbrr99/HBP_FSTIP.html
 - 2) The purpose of this list is to show which projects being advanced by local agencies have met the eligibility requirements of the federal Highway Bridge Program and have been prioritized for funding by the Department in cooperation with local agencies for funding.
 - 3) Contractual funding levels are determined at time of federal authorization/obligation for given phase of work. For details see Chapter 3 of the Local Assistance Procedures Manual.
 - 4) For FTIP/FSTIP purposes, Federal Highway Bridge Program (HBP) funding constraint is managed by Caltrans.
 - 5) Prop 1B bond funds for the Local Seismic Safety Retrofit Program (LSSRP) used for matching federal funds are also managed by Caltrans.
 - 6) Financial constraint of LOCAL matching funds (including regional STIP funds) and LOCAL Advance Construction (AC) is the responsibility of the MPOs and their local agencies.
 - 7) Some projects show that they are programmed using State STP funds. These funds are HBP funds transferred to the STP for bridge work that is not ordinarily eligible for HBP funds. See the HB Program Guidelines for details. Do not confuse these STP funds with Regional STP funds.
 - 8) Corrections to this report should be addressed to the District Local Assistance Engineer:
