Hafner, Jennie Miller, Olivia Forte, Brideget Moore &

Servando Quintanilla

Counsel Present: Thomas Degn

*Board member attended online or due to emergency or just cause.

I. CALL TO ORDER:

Chair Sigala called the meeting to order at 4:01 p.m.

II. PLEDGE OF ALLEGIANCE:

Led by Chair Sigala.

III. PUBLIC COMMENT:

None

IV. <u>CLOSED SESSION ITEMS:</u>

It is the intention of the Board of Directors to meet in closed session concerning:

A. None

V. REPORTS:

This is the time for all committee reports and executive committee reports:

C. PTASP Safety Committee (TCRTA staff)

Ms. Forte addressed trimming overgrowth along routes, bus stop shelter maintenance, and facility maintenance, and throughout the month driver personal received safety messages on various weather concerns, next safety meeting would be on February 22, 2024.

VI. PRESENTATIONS:

A. Organization Issues Report - Dr. Robert Babbitt, SBLBF

Ms. Hafner introduced Bob Babbitt. Mr. Babbitt gave a presentation on the research and analysis of the past year's budgetary process and agency's organization.

VII. CONSENT CALENDAR ITEMS:

- A. Approve minutes of December 18, 2023
- **B. Monthly Ridership Trends**

Upon a motion by Member Valero and seconded by Member Gomez the Tulare County Regional Transit Agency approved consent calendar items as presented.

VIII. ACTION / DISCUSSION ITEMS:

A. Action: Approve Board Committee Structure

Ms. Hafner discussed that most transit board of directors use a standing committee structure and depending on the size of the transit agency, the

number of committees in existence can vary. In California, these meetings should be noticed with minutes taken and posted in accordance with the Brown Act requirements. This creates a need for additional staff resources to support the additional committee activities. As the Agency continues to evolve, it is timely for the Board to consider implementation of a standing committee structure. Outlined is a committee structure for the Boards' consideration. Create three TCRTA Board standing committees and recruit membership interest in serving on them. In addition, create one standing Transit Advisory Committee to follow Federal Transit Administration regulatory compliance. The three standing Board Committees proposed are the Executive Committee consisting of the Chair Sigala, Vice Chair Gomez and member Valero. The role of the Executive Committee is to provide input and direction on emerging policies, plans, and issues, in advance, for Board consideration. The Executive Committee shall have the authority to create ad hoc subcommittees for purposes of carrying out its duties and responsibilities. Budget and Finance Committee with a role to review financial sustainability, regulatory compliance. grant strategies and participate in the operating and capital budget development. The Budget and Finance Committee consists of the Chair Sigala, member Thusu and member Weyhrauch. Operations Committee with a role to review ridership, zero emission bus implementation, route design, performance and service quality and consists of the Vice Chair Gomez, member Valero, and member Martinez. Transit Advisory Committee consisting of riders that would meet quarterly. This committee would consist of riders from the TCRTA system to gain input on planned transit service and service quality.

Upon motion by Member Gomez and seconded by Member Martinez the Tulare County Regional Transit Agency approved Items A as presented.

B. Action: Receive and File the 22/23 FY Actuals and 23/24 FY Projected Budget per Member Agency

Ms. Boling discussed the Financial Statement separates FY 22/23 Revenue and Expenses by Member Agency, and the included FY 23/24 Projected Budget is also detailed by Member Agency.

Upon motion by Member Valero and seconded by Member Thusu the Tulare County Regional Transit Agency approved Items B as presented.

C. Action: Review and Approve 6 Month Performance Goals for Executive Director

Mr. Hassan discussed six-month review would mark the date as June 6, 2024. The following target goals are suggested for open discussion among board members and for adoption through resolution 2004-001. Goal #1: Fiscal Transparency – Ensure creation, format approval, and subsequent reporting of operating revenue and expenditures to TCRTA Board of Directors with actuals representing no more than a single quarter delay for true-up. Goal #2: Phase II Deployment of Microtransit – Deployment of microtransit services in the City of Woodlake, the City of Dinuba, and updated plan for the City of Lindsay, and the City of Porterville. Goal #3: Issuance of RFP for Short Range Transportation Plan – Creation of the RFP, posting for award, pre-award meeting, and review of eligible vendors. Goal #4: Deployment of Services to Tule River Tribe – Begin implementation of services for funds that are already on-the-books to reimplement service between the Tule River Reservation and the City of Porterville. Goal #5: Establishment and Sharing of Operational Key Performance Indicators (KPI) - Create categories to be tracked for KPI where such categories include, at a minimum: Ridership Statistics, On-Time

Performance, and Vehicle Cost Per Mile. Goal #6: Transition Plan for Porterville – Contingent on the final outcome of the City of Porterville Council vote on whether to remain with JPA. Subject to said outcome the TCRTA Director will devise a plan to identify financial liabilities, operational liabilities, and timeframe for resolution where applicable. Goal #7: TCRTA Self Autonomy Plan Progress – Undertake efforts to establish the Authority's self-independence where it makes fiscal and pragmatic sense. Such efforts include but are not limited to: a) Finalizing and signing lease to relocate TCRTA into its own space b) Establishing the ability of the board to host monthly meetings at TCRTA's new office c) Establishment and creation of TCRTA's own website and d) Identifying areas of opportunity for further self-sufficiency. Goal #8: Employee Development Plan – Engage with staff to create an Individual Development Plan Worksheet. Capture baseline assessment within said worksheet for each employee and define outline short-term (1-2 year) career goals.

Upon motion by Member Thusu and seconded by Member Valero the Tulare County Regional Transit Agency approved Items C as presented.

D. Action: Request to Amend Resolution 2022-003 Authorizing Purchase of Zero Emission Transit Buses

Mr. Barragan stated that recently TCRTA staff had learned that Proterra had some financial issues that may or may not lead to the company filing for bankruptcy. Therefore, staff is recommending that no manufacturer be named at this time. TCRTA staff is requesting Resolution No. 2022-003 be amended to remove Proterra as the designated manufacturer in the agreement. The recommendation would be that Tulare County Regional Transit Agency Board of Directors approve the amended Resolution authorizing the Executive Director to execute an agreement with a Battery Electric Bus manufacturer, in an amount not to exceed \$2,500,000 to procure three 35' battery electric buses with extended warranties and configurable options utilizing the California Department of Services (DGS) Contract.

Upon motion by Member Valero and seconded by Member Martinez the Tulare County Regional Transit Agency approved Items D as presented.

E. Action: Authorize Application for Congestion Mitigation and Air Quality (CMAQ) and Carbon Reduction Program (CRP) Grant

Ms. Ortega discussed that on On December 4, 2023, TCAG released a Call for Projects. Approximately \$12.5 million (\$8.3 million in CMAQ and \$4.2 million in CRP) was available for this call for projects which includes federal fiscal years 2024/25 through 2027/28. Completed applications with supporting documentation are due February 4, 2024. Per TCAG policy, TCAG prioritized twenty percent (20%) for projects that reduce emissions at a rate of \$63/lb. or less. The types of projects included in this category include: zero-emission projects, or projects with high local match requesting minimal CMAQ funds. The minimum match requirement for the CMAQ program is 11.47%, while the minimum match requirement for CRP is 20%. Each project that is programmed with CMAQ and CRP funds will be required to undergo the federal authorization process, and projects must follow federal rules throughout. It is staff's recommendation that TCRTA submit a CMAQ and CRP application for this Call for Projects. For the Board's consideration, the CMAQ and CRP application will be for the following: 1. Capital Assistance for the purchase of two (2) zero-emission buses dedicated to the Commuter Route 20 (South County)

which provides service between Tulare and Delano. Route 20 travels approximately 225,000 miles per year. The following table represents the expected projects costs: Project Task Project Zero-Emission Vehicles, Project Cost \$1,900,000, CMAQ Funding \$1,500,000, CRP Funding \$400,000, Local Funding \$380,000. Project costs have been estimated for the purpose of applying. Actual service areas, service levels, vehicle specification and quantities will be finalized once the project application is approved.

Upon motion by Member Martinez and seconded by Member Gomez the Tulare County Regional Transit Agency approved Items E as presented.

F. Information: Microtransit Pilot Phasing Plan Approach

Ms. Miller discussed that TCRTA and Via staff are working to design a regional on-demand service that maximizes the benefits to our communities across Tulare County. The technology would be implemented in multiple phases to support on-demand services throughout the region. Phase 1: on December 18, 2023, the existing microtransit service in the Porterville-Lindsay area was successfully transitioned from the Uber platform to the Via software. Rides can be booked through the TCRTA TRANSPORT app, available for download on Google Play or the App Store. Fares can be paid with cash or credit card. The TRANSPORT service reported a total of 3,051 passengers in December. Via completed a preliminary simulation based on this ridership data to determine an estimation of vehicles needed to fulfill service requirements (see attached). The simulation model takes into account population density, and the concentration of jobs and points of interest in the service area. The model also projects increased and decreased rider demand and its effect on vehicle utilization. Phase 2: this phase will include the expansion of service to Dinuba and Woodlake, and the commingling of on-demand and paratransit services in all zones, pooling riders and vehicles to provide an improved rider experience and maximize operational efficiencies. ADA paratransit trips will be available to be booked by phone or via the app. Paratransit fares will remain \$3 for all eligible riders no matter how the ride is booked. The proposed commingled Paratransit/Microtransit hours would follow current on-demand or paratransit hours: Porterville-Lindsay: Monday-Saturday 6:00 am to 10:00 pm Sunday 8:00 am to 8:00 pm Dinuba: Monday-Saturday 7:00 am to 7:00 pm Sunday 8:00 am to 5:00 pm Woodlake: Monday-Friday 7:30 am to 3:30 pm TCRTA staff will be holding outreach events in Dinuba, Lindsay, Porterville, and Woodlake to provide information to the public and gain feedback on these proposed changes. A public hearing for final comments will be held at the TCRTA Board Meeting scheduled for February 21, 2024. If approved, Phase 2 will Go-Live on April 1, 2024. Phase 3: in this phase TCRTA and Visalia Transit staff will work together to define on-demand service in Visalia and surrounding areas (Exeter, Farmersville, Goshen, and City of Tulare). Discussions regarding zone coverage will begin in February, with an anticipated Go-Live date of July 1, 2024, contingent upon timely delivery of vehicles. Additional phases/services will be brought to the Board as they are developed.

G. Information: Branding Project Update

Mr. Miller discussed that on behalf of TCRTA, the Tulare County Association of Governments (TCAG) conducted a Request for Proposals (RFP) procurement to select a consultant to complete the TCRTA Branding and Communications Plan project. The TCAG Board awarded the contract to Archer and Hound Advertising at their June 2022 meeting. At the March 29, 2023, meeting, the

Board of Directors selected and approved the official logo for the Tulare County Regional Transit Agency. The branding consultants then developed a digital Brand Toolkit that includes the approved logo file types, fonts, colors, and logo placement for use by staff, vendors, and partners. The branding team has been tasked with the creation of the TCRTA website framework (wireframes) and overall page designs, which will then be handed off to our website development team (Trillium/Optibus) for implementation. A walkthrough of the wireframes was presented during the meeting. Final page designs will be completed by February 12th.

H. Information: Conflict of Interest Code (Form 700) Due April 1, 2024 Mr. Sigala stated that Form 700 are due by April 1, 2024.

IX. OTHER BUSINESS:

A. Director's Report

Mr. Hassan discussed that he met with several TCRTA Board members to get to know them and their cities, wanted to make sure that the cities would be provided with the best possible bus service, spoke to operating expenses, TCRTA is looking forward to new accountant and new lease for TCRTA office.

B. Requests from Board Members for Future Agenda Items

Mr. Sigala would like to put on the agenda the status of services for the City of Farmersville and City of Exeter provided by the City of Visalia.

X. ADJOURN

The meeting adjourned at 5:58 p.m. Chair Sigala confirmed the next scheduled meeting of the Tulare County Regional Transit Agency (TCRTA) Board of Directors will be held on **Wednesday**, **February 21**, **2024**, **and will take place at 4:00 pm**. at the Tulare Public Library and Council Chamber, 475 N M St, Tulare, CA 93274.

Tulare County Regional Transit Agency

AGENDA ITEM VIII-A

February 21, 2024

Prepared by Albert Barragan, Transit Manager; Jennie Miller, Transit Analyst; Olivia Forte, Transit Coordinator

SUBJECT:

Action: Public Hearing on Microtransit Pilot Phase 2 Service Changes

BACKGROUND:

At the Board meeting of February 22, 2023, the TCRTA Board of Directors approved the provision of a 3-year regional microtransit (on-demand) pilot to include all TCRTA member agencies and the City of Visalia.

At the Board meeting of January 29, 2024, staff outlined the Microtransit Pilot Phasing Plan consisting of 3 phases. Phase 2 includes the proposed expansion of the service to Dinuba and Woodlake, and the commingling of on-demand and paratransit services in all zones (including the current Porterville-Lindsay zone).

At the Board meeting of May 16, 2022, the Board of Directors conducted a public hearing and subsequently approved the 2022 Fare and Service changes, which included replacing commuter routes C50 (North County) and C60 (Lindsay) with on-demand service. Commuter route C60 was replaced with on-demand service in November of 2022.

DISCUSSION:

Public Outreach:

A legal notice regarding this public hearing was published in several local newspapers, inviting the public to submit comments. In addition, information on the proposed service expansion was posted on the TCRTA page of the TCAG website, and printed materials were posted for the riding public.

Staff conducted a series of meet and greet sessions to inform the public and receive feedback on the proposed service changes. Sessions were held at the Dinuba Transit Center on February 6, 2024, Whitney Transit Center on February 7, 2024, and at both the Lindsay Branch Library, and Porterville Transit Center on February 8, 2024.

Vehicle Branding:

TCRTA developed a brand identity and logo as part of the TCRTA Branding and Communications Plan project. The consolidation of transit services and formation of TCRTA presents an opportunity to increase regional visibility by helping riders and community members better identify TCRTA vehicles and the services we provide through consistent imagery.

On March 29, 2023, the Board approved TCRTA LOGO Option "C" to be implemented for the Microtransit service. TCRTA has now completed branding for vehicles in the proposed expanded service to Dinuba and North County surrounding area and is working to rebrand existing vehicles now in service in Porterville and Lindsay.

Service Deployment:

The Microtransit Pilot Phase 2 expansion includes the following proposed service parameters:

- 1. The expansion of microtransit service to Dinuba and Woodlake.
- The commingling of on-demand (microtransit) and paratransit services in all zones (Dinuba, Porterville-Lindsay, Woodlake). Currently, on-demand and paratransit services are run as separate services. Riders and vehicles for both services will be pooled, to provide an improved rider experience and maximize operational efficiencies.
- 3. ADA paratransit trips will be available to be booked by phone (as they currently are) or via the app.
- 4. Paratransit fares will remain \$3 for all eligible riders no matter how the ride is booked.
- 5. The proposed commingled Paratransit/Microtransit hours will follow current ondemand or paratransit hours:

Porterville-Lindsay: Monday-Saturday 6:00 am to 10:00 pm

Sunday 8:00 am to 8:00 pm

Dinuba/North County: Monday-Saturday 7:00 am to 7:00 pm

Sunday 8:00 am to 5:00 pm

Woodlake: Monday-Friday 7:30 am to 3:30 pm

- 6. The boundaries of the current Porterville-Lindsay on-demand zone will remain unchanged.
- 7. The boundaries of the proposed Woodlake zone will align with the existing Paratransit boundaries (at a minimum).
- 8. The proposed Dinuba service will consist of two zones, a city zone and a county zone. Trips originating/ending within the county zone will generate longer wait times than trips within the city zone. The North County zone will encompass the communities of Sultana, Orosi, Cutler, London, Traver, Delft Colony, Monson, Yettem, and Seville.
- 9. Commuter Route C50 will be replaced with on-demand service. C50 currently serves the North County communities of London, Traver, and Delft Colony, and deviates for ADA Paratransit eligible riders. On-demand fares to/from current C50 stops will remain \$2. Service hours will be extended to current City of Dinuba Paratransit hours.
- 10. Start date = April 1, 2024

RECOMMENDATION:

That the Tulare County Regional Transit Agency Board of Directors:

- 1. Conduct a public hearing to receive public comment on the proposed Microtransit Pilot Phase 2 Service Changes.
- 2. Adopt Resolution 2024-004 approving the proposed Microtransit Pilot Phase 2 Service Changes with a start date of April 1, 2024.

FISCAL IMPACT:

Funds to continue existing on-demand operations have been budgeted in the FY 2023/2024 Operating Budget. Funding for years 2-3 of the contract term will be included in future operating budgets. The extension of service hours in the North County zone will increase the cost of the service by approximately \$50,000 per year. TCAG is committed to funding the pilot using CMAQ/Measure R.

ATTACHMENTS:

- 1. Resolution 2022-006 (Adopting the 2022 Service Changes)
- 2. Phase 2 Simulation Results (by zone)
- 3. Draft Resolution 2024-004

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE TULARE COUNTY REGIONAL TRANSIT AGENCY ADOPTING THE 2022 SERVICE CHANGES

WHEREAS, the Tulare County Regional Transit Agency is comprised of five previously individual transit operators; and

WHEREAS, the Tulare County Regional Transit Agency desires to create uniformity across its services and to comply with regulatory requirements; and

WHEREAS, the Tulare County Regional Transit Agency conducted a series of community meetings to inform the public of the proposed 2022 service changes; and

WHEREAS, the Board of Directors conducted a public hearing and approved the 2022 service changes.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE TULARE COUNTY REGIONAL TRANSIT AGENCY, does hereby adopt the following 2022 Service Changes effective July 1, 2022:

- 1. Interchange the local flex routes, TCaT Route 50 and 60, with on-demand service.
- 2. Local fixed routes operate Monday Saturday from 7:00 am to 7:00 pm, and limited Sunday service from 8:00 am to 5:00 pm.
- 3. ADA paratransit service operate Monday Saturday from 7:00 am to 7:00 pm, and limited Sunday service from 8:00 am to 5:00 pm.
- 4. On-Demand service operate Monday Saturday from 6:00 am to 10:00 pm, and limited Sunday service from 8:00 am to 8:00 pm.

PASSED AND ADOPTED this 16th day of May 2022 by the Board of Directors of the Tulare County Regional Transit Agency.

THE FOREGOING RESOLUTION was adopted upon motion of Member Gomez and seconded by Member Valero at regular meeting thereof held on the 16th day of May 2022.

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE TULARE COUNTY REGIONAL TRANSIT AGENCY ADOPTING THE MICROTRANSIT PILOT PHASE 2 SERVICE CHANGES

WHEREAS, the Tulare County Regional Transit Agency Board of Directors approved the interchange of commuter route C50 with on-demand service on May 16, 2022; and

WHEREAS, the Tulare County Regional Transit Agency Board of Directors approved the provision of a 3-year regional Microtransit (on-demand) Pilot on February 22, 2023; and

WHEREAS, Microtransit Pilot is to be initiated in phases; and

WHEREAS, the Tulare County Regional Transit Agency conducted a series of community meetings to inform the public of the proposed Microtransit Pilot Phase 2 Service Changes; and

WHEREAS, the Board of Directors conducted a public hearing and approved the Microtransit Pilot Phase 2 Service Changes.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE TULARE COUNTY REGIONAL TRANSIT AGENCY, does hereby adopt the following Microtransit Pilot Phase 2 Service Changes effective April 1, 2024:

- 1. Microtransit service will be expanded to the cities/areas of Dinuba and Woodlake.
- 2. Microtransit and Paratransit services will be commingled in all service zones (Dinuba/North County, Porterville-Lindsay, Woodlake).
- 3. ADA paratransit trips will be available to be booked by phone or via the app.
- 4. Paratransit fares will remain \$3 for all eligible riders no matter how the ride is booked.

5. Commingled Microtransit/Paratransit services will operate:

Porterville-Lindsay: Monday-Saturday 6:00 am to 10:00 pm

Sunday 8:00 am to 8:00 pm

Dinuba/North County: Monday-Saturday 7:00 am to 7:00 pm

Sunday 8:00 am to 5:00 pm

Woodlake: Monday-Friday 7:30 am to 3:30 pm

6. The boundaries of the current Porterville-Lindsay on-demand zone will remain unchanged.

- 7. The boundaries of the Woodlake zone will align with the existing Paratransit boundaries (at a minimum).
- 8. The Dinuba service will consist of two zones, a city zone and a county zone.
- 9. Commuter Route C50 will be replaced with on-demand service. On-demand fares to/from current C50 stops will remain \$2. Service hours will be extended to current City of Dinuba Paratransit hours.

Tulare County Regional Transit Agency

AGENDA ITEM VIII-B February 21, 2024 Prepared by Michele Boling, Finance Manager

SUBJECT:

Action: Preliminary Financial Statement as of December 31, 2023

BACKGROUND:

The following Preliminary Financial Statement as of December 31, 2023, provides July-December 2023, Revenues and Expenses compared to the Fiscal Year 2023-2024 Budget.

DISCUSSION:

This Financial Statement for December 31, 2023, is preliminary, as the Fiscal Year 2022-2023 is closing and other accruals are pending.

RECOMMENDATION:

That the Tulare County Regional Transit Agency Board of Directors receive and file the Preliminary Financial Statement as of December 31, 2023.

FISCAL IMPACT:

None

Tulare County Regional Transit Agency

AGENDA ITEM VIII-C February 21, 2024 Prepared by Abul Hassan, Executive Director

SUBJECT:

Action: Approval of Resolution authorizing the Tulare County Regional Transit Agency Board of Directors the ability to request and be paid for mileage

and meal reimbursement in accordance with GSA

BACKGROUND:

The Tulare County Regional Transit Agency Board of Directors perform many functions on behalf of the Agency in order to advocate for the Agency's primary mission of bringing connectivity to citizens of each of the Member Agencies within the Joint Powers Agreement ("Agreement").

While the Agreement specifically states that Board members are not compensated to be Board members the Agreement does allow for Board members to expense for, "necessary travel expenses incurred in the performance of their duties and outlined in accordance with policies established by the Board."

DISCUSSION:

Board member participation is vital to the success of this newly formed Regional Transit Agency. Where such participation may be an obstacle due to travel expenses incurred by Board members as they travel from their respective representative jurisdiction to the Tulare County Regional Transit Agency offices.

So long as the following preconditions are met:

- 1) Travel to the Tulare County Regional Transit Agency office is not construed as "local travel," when a board member of a representative Member Agency must travel to any other Member Agency area outside of their own.
- 2) County continues to be classified by census data as being of a population size under 500,000 and therefore largely 'rural.'

For so long as the above conditions are met, board members should have the ability to request reimbursement of their travel expenses as they perform their duties to the Tulare County Regional Transit Agency.

Because the Tulare County Regional Transit Agency has reporting obligation(s) to the Federal Transit Authority (FTA) it reasons that the per diem standards for mileage and meals, when meals are not provided at meetings, should follow the United States General Services Administration guidelines.

By undertaking this policy, the barrier to participation is lowered for existing and future board members thereby ensuring that the focus of board members continues to be on fostering the success of the Tulare County Regional Transit Agency without personal economic impact, where applicable.

RECOMMENDATION:

That the Tulare County Regional Transit Agency Board of Directors adopt Resolution 2024-005 approving the adoption of reimbursement policy for Board Member travel expenses with an effective date of July 01, 2024.

FISCAL IMPACT:

Funding to support this will fall under the 'administrative,' category of the operating expenditure line-item where the primary source will be the State of California Local Transportation Funds.

ATTACHMENTS:

1. Draft Resolution 2024-005

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE TULARE COUNTY REGIONAL TRANSIT AGENCY ADOPTING REIMBURSEMENT POLICY FOR BOARD MEMBER TRAVEL EXPENSES

WHEREAS, the Tulare County Regional Transit Agency Board of Directors discussed Agenda Item V-E on March 28, 2022; and

WHEREAS, the Tulare County Regional Transit Agency Board of Directors discussed compensation to board members in order to encourage participation; and

WHEREAS, the Tulare County Regional Transit Agency Board of Directors was informed that the Joint Powers Agreement (JPA) states that, "The members of the Board shall serve without compensation but shall receive reimbursement for actual and necessary travel expenses incurred"; and

WHEREAS, the Tulare County Regional Transit Agency Board of Directors incur actual expenses for necessary travel in the performance of their duties.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE TULARE COUNTY REGIONAL TRANSIT AGENCY, does hereby authorize The Tulare County Regional Transit Authority staff to develop and/or modify existing travel policy to include the following:

- 1. With an effective implementation date of July 01, 2024 the Tulare County Regional Transit Agency Board of Directors will be eligible for per diem reimbursement for meals (where applicable) and miles traveled from their location of origin to the Tulare County Regional Transit Agency's offices.
- 2. The reimbursement mileage rate will align with per diem rates as established by the U.S. General Services Administration.

PASSED AND ADOPTED this 21st day of February 2024 by the Board of Directors of the Tulare County Regional Transit Agency.

Tulare County Regional Transit Agency

AGENDA ITEM VIII-D February 21, 2024 Prepared by Teresa Ortega, Transit Analyst

SUBJECT:

Information: Grant Management Worksheets

BACKGROUND:

Tulare County Regional Transit Agency (TCRTA) has a responsibility to fund, plan with, and advocate for the County of Tulare and the Cities of Dinuba, Exeter, Farmersville, Lindsay, Porterville, Tulare, Woodlake, and Tule River Tribe. Staff is responsible for the grant management and administration of all grants related to the operation of services for the agency. Thorough financial management by the TCRTA is essential to ensure that federal and state grant funds are used effectively and in accordance with federal regulations.

DISCUSSION:

TCRTA is providing grant management worksheets to inform TCRTA board members of the various federal and state grants that are managed by staff. All grant funding will be tracked in a manner that assures transparency and accountability to the Board, grantors, and the public.

Tulare County Regional Transit Agency

AGENDA ITEM VIII-E February 21, 2024 Prepared by Albert Barragan, Transit Manager

SUBJECT:

Information: Vehicle Asset Worksheet

BACKGROUND:

Tulare County Regional Transit Agency (TCRTA) has a responsibility to fund, plan with, and advocate for the County of Tulare and the Cities of Dinuba, Exeter, Farmersville, Lindsay, Porterville, Tulare, Woodlake, and Tule River Tribe. TCRTA is responsible for the management and administration of all assets related to the operation of services for the agency. Thorough vehicle management by TCRTA is essential to ensure that these assets purchased with federal and state grant funds are used effectively and in accordance with federal regulations.

DISCUSSION:

TCRTA is providing a Vehicle Asset Worksheet to inform TCRTA board members of the current vehicle assets that are managed by TCRTA. All vehicle assets will be tracked in a manner that assures transparency and accountability to the Board, grantors, and the public.

ATTACHMENTS:

1. TCRTA Vehicle Asset Worksheet

Tulare County Regional Transit Agency

AGENDA ITEM VIII-F February 21, 2024 Prepared by Jennie Miller, Transit Analyst

SUBJECT:

Information: Conflict of Interest Code (Form 700) Due April 1, 2024

BACKGROUND:

The Tulare County Regional Transit Agency is required to adopt and maintain a conflict-of-interest code. This code outlines who must disclose information on an annual basis, and what type of information must be disclosed.

DISCUSSION:

The Political Reform Act requires certain officials and employees who serve in positions designated in an agency's conflict of interest code to file a Statement of Economic Interest (Form 700). The Form 700 is available in an interactive version on the Fair Political Practices Commission website: www.fppc.ca.gov.
