AGENDA ITEM VII-C

November 30, 2023

Prepared by Jennie Miller, Transit Manager

SUBJECT:

Information: Monthly Ridership Trends

BACKGROUND:

The following graphs show ridership patterns in 2023 by service type. All FY 2023-24 data in this report is preliminary and will be finalized at the end of the fiscal year.

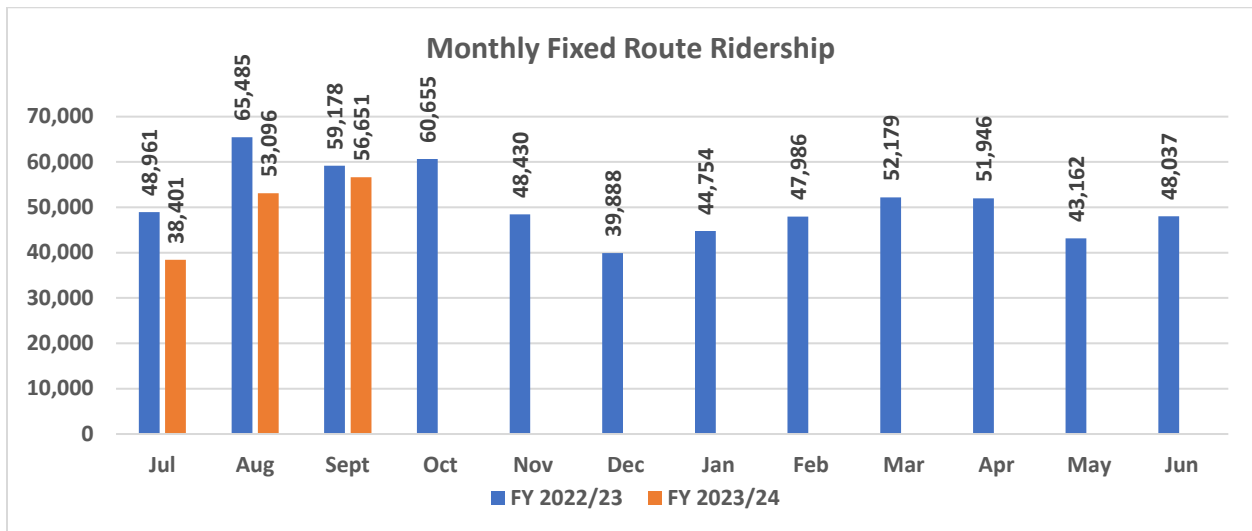

DISCUSSION:

Fixed Route Ridership

Note: Fares were reinstated in October of 2022.

In July of 2023, TCRTA provided fewer fixed route trips than were provided in July of 2022, due to service impacts on commuter/rural routes associated with the Visalia Transit worker's strike.

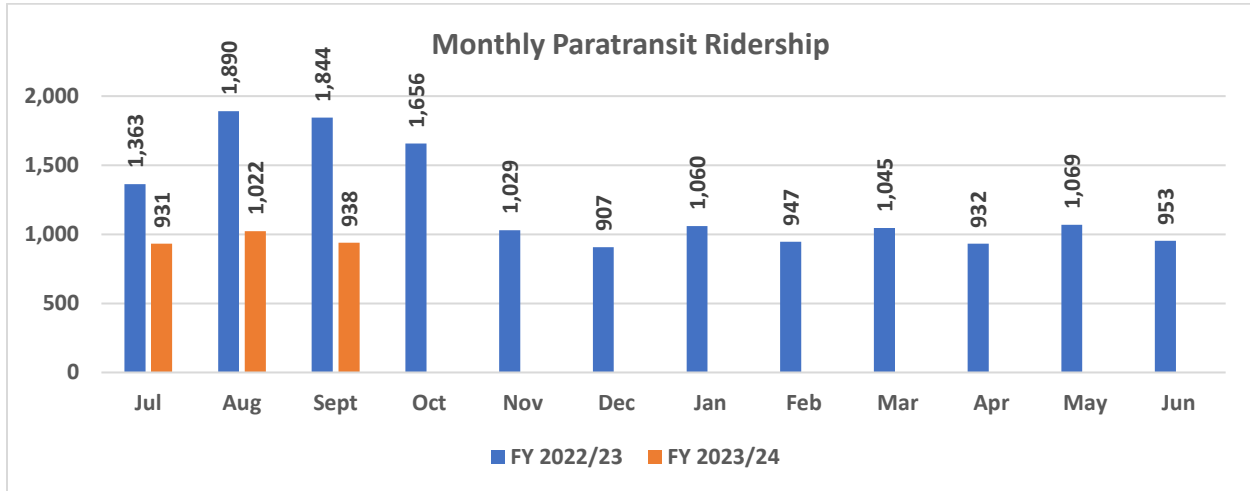

In August and September of 2023, TCRTA provided fewer fixed route trips than the previous year. However, ridership reached consecutively higher totals during these months than any other month since fares were reinstated.

Paratransit Ridership

Note: Fares were reinstated in October of 2022.

In July, August, and September of 2023, TCRTA provided fewer paratransit trips than were provided during the same months of 2022. However, overall ridership has remained steady since the initial ridership loss caused by the reinstatement of fares in October of 2022.

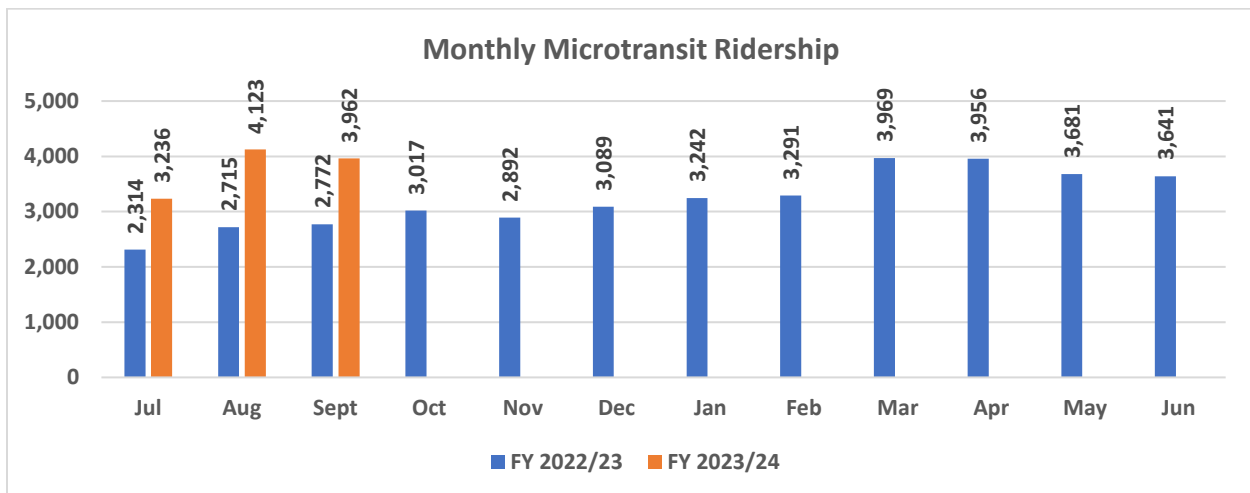

On-Demand (Microtransit) Ridership

Note: Fares were increased in July of 2022. The Transport service area was expanded to include the City of Lindsay in November of 2022.

In July of 2023, TCRTA provided nearly 1,000 more on-demand trips than were provided in July of 2022.

In August of 2023, TCRTA provided the highest number of on-demand trips reported to date.

AGENDA ITEM VIII-A

November 30, 2023

Prepared by Susan Hafner, TCRTA Consultant

SUBJECT:

Action: Approve Project Request Submittal for SB125 Funds: Transit and Intercity Rail Capital (TIRCP) Program & Zero Emission Transit Capital Program (ZETCP)

BACKGROUND:

As part of this year's state budget process, significant one-time funding was included for rail and transit projects throughout the state (Assembly Bill 102 and Senate Bill 125). Through these bills the State will be allocating \$5.1 billion to Regional Transportation Planning Agencies (RTPAs) for sub-allocation to eligible rail and transit operators through the existing Transit and Intercity Rail Capital Program (TIRCP) and a new program called the Zero Emission Transit Capital Program (ZETCP). The California State Transportation Agency (CalSTA) has recently provided the guidelines to regions to describe roles and responsibilities, eligible uses of funding and requirements associated with funding.

The region is expected to receive at least \$56 million over a four-year period based on estimates. This is an extraordinary opportunity to help fund transformative rail and transit projects and to help meet rail and transit operator needs.

TCAG, as the state designated Regional Transportation Planning Agency for Tulare County is responsible for distributing the funding and has requested a project list for funding consideration collaborating with transit partners for final consideration by the TCAG Board.

DISCUSSION:

TCRTA has received a request from TCAG for a proposed project listing for TIRCP and ZETCP funding. Due to the short deadline for project submittals, the attached proposed project listing is a high-level project list that will be refined as additional Electric Vehicle and infrastructure project details are developed. TCRTA Staff will be requesting that additional technical analysis be performed to more fully define the project scope details and implementation timelines at a future meeting. The City of Porterville's project list is also included as part of the TCRTA request.

This project list contains items that will be needed to implement the TCRTA's California Air Resources Board ZEB Transition Plan that was approved in June of this year. These significant regional needs include maintenance facility retrofits, charging infrastructure and zero emission buses.

RECOMMENDATION:

That the Tulare County Regional Transit Agency Board of Directors approve the project lists attached for submittal to the Tulare County Association of Governments.

FISCAL IMPACT:

None at this time, but potential significant increase in Capital Project Funds.

AGENDA ITEM VIII-B

November 30, 2023

Prepared by: Michele Boling, Finance Manager

SUBJECT:

Action: Adoption of Resolution Approving Amendment No. 2 to the
FY 2023-2024 Budget and Capital Improvement Program

BACKGROUND:

At the regular scheduled Board meeting of June 22, 2023, the Board of Directors adopted the Fiscal Year 2023-2024 Budget and Capital Improvement Program with Resolution No. 2023-010. The Operating Budget is \$19,067,409 to provide transit services for TCRTA's member agencies and the Capital Improvement Program includes capital expenditures of \$4,273,632.

Amendment No. 1 was approved August 12, 2023, by Resolution No. 2023-015.

DISCUSSION:

Based upon the growing needs of TCRTA and upon review of the current budget, it has been determined two TCRTA positions are necessary to provide adequate staffing. Therefore, it is recommended that TCRTA add the following flex positions: TCRTA Administrative Clerk I-II Series and TCRTA Accountant I-III Series.

TCRTA Administrative Clerk I

Salary Range	Step 1	Step 2	Step 3	Step 4	Step 5
Hourly	\$ 21.60	\$ 22.70	\$ 23.85	\$ 25.06	\$ 26.33
Annually	\$ 44,936.00	\$ 47,214.00	\$ 49,608.00	\$ 52,123.00	\$ 54,764.00

TCRTA Administrative Clerk II

Salary Range	Step 1	Step 2	Step 3	Step 4	Step 5
Hourly	\$ 23.76	\$ 24.97	\$ 26.23	\$ 27.56	\$ 28.96
Annually	\$ 49,429.00	\$ 51,935.00	\$ 54,568.00	\$ 57,334.00	\$ 60,241.00

TCRTA Accountant I

Salary Range	Step 1	Step 2	Step 3	Step 4	Step 5
Hourly	\$ 26.91	\$ 28.28	\$ 29.71	\$ 31.22	\$ 32.80
Annually	\$ 55,977.00	\$ 58,815.00	\$ 61,797.00	\$ 64,929.00	\$ 68,221.00

TCRTA Accountant II

Salary Range	Step 1	Step 2	Step 3	Step 4	Step 5
Hourly	\$ 29.72	\$ 31.23	\$ 32.81	\$ 34.47	\$ 36.22
Annually	\$ 61,818.00	\$ 64,952.00	\$ 68,244.00	\$ 71,704.00	\$ 75,339.00

TCRTA Accountant III

Salary Range	Step 1	Step 2	Step 3	Step 4	Step 5
Hourly	\$ 33.15	\$ 34.83	\$ 36.60	\$ 38.45	\$ 40.40
Annually	\$ 68,951.00	\$ 72,447.00	\$ 76,119.00	\$ 79,978.00	\$ 84,033.00

It is recommended that TCRTA fill the Administrative Clerk 1 position at a step 2 and the Accountant I at a step 2 which will result in an additional cost of \$12,000 for FY 23/24.

In addition, Resolution 2023-003 approved an Extra Help Finance Manager until the position was filled, therefore an extension of services is being requested for the Extra Help Finance Manager position to be extended from November 6, 2023, until December 31, 2023. TCAG support positions for the Finance Director and Administrative staff will also come to an end on December 31, 2023. TCAG staff will continue to provide ongoing training as necessary.

INFORMATIONAL:

At the request of the board, TCRTA staff reviewed the additional space at 210 N. Church St for potential lease. Lessor stated there is approximately 2700 sq ft at \$1.21 that would be an additional approximate cost of \$3,300.00 per month. The space is potentially available within 30 days of TCRTA's written request.

RECOMMENDATION:

That the Tulare County Regional Transit Agency Board of Directors:

1. Approve adding the positions of TCRTA Administrative Clerk I-II Series and TCRTA Accountant I-III Series;
2. Approve TCRTA Staffing of an Administrative Clerk I and Accountant I at a step 2 with an increase to the budget in the amount of \$12,000.00 for FY 23/24;
3. Extend services of the Extra-Help Finance Manager from November 6, 2023, until December 31, 2023; and
4. Provide direction on lease potential.

FISCAL IMPACT:

Approving Amendment No. 2 will require an additional \$12,000.00 in the 23/24 Fiscal Year Budget.
